6. At the time of the initial incident, Respondent was employed as a Clinical Research Coordinator with Clinical Trials of Texas, San Antonio, Texas, and had been in this position for seven (7) months.
7. On or about December 9, 2004 to November 9, 2006, while employed as a Clinical Research Coordinator with Clinical Trials of Texas, San Antonio, Texas, Respondent forged physician's signatures on lab results, ECG's, clinical results reports, adverse events forms, patient's informed consents, and office visit forms. Additionally, Respondent forged patient G.R.'s signature on consent forms and receipt of study gifts forms. Respondent's conduct was deceptive and resulted in inaccurate Medical Research Studies.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent states:

"Documents needing signatures by the P.I.'s [Physician Investigator] were hand delivered to their offices by the coordinators and passed through many hands. Many times the coordinators would take documents to P.I.s for each other. I am not accusing other coordinators of wrongdoing. I just want to make it clear that many persons had access to study documents, both at CTT & at the offices of the P.I.s."
9. Formal Charges were filed on May 27, 2009.
10. Formal Charges were mailed to Respondent on June 1, 2009.
