BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Vocational Nurse §
License Number 176884 and Registered Nurse §
License Number 675095 § REINSTATEMENT
issued to MICAH DANIEL JERRELL § AGREED ORDER

On this day came to be considered by the Texas Board of Nursing, hereinafter referred to as the Board, the Petition for Reinstatement of Vocational Nurse license Number 176884, and Registered Nurse License Number 675095, held by MICAH DANIEL JERRELL, hereinafter referred to as Petitioner.

An informal conference was held on October 11, 2011, at the office of the Texas Board of Nursing, in accordance with Section 301.464, Texas Occupations Code.

Petitioner appeared in person. Petitioner was notified of his right to be represented by legal counsel and elected to waive representation by counsel. In attendance were Bonnie Cone, MSN, RN Executive Director's Designee; John Legris, Assistant General Counsel; Anthony L. Diggs, MSCJ, Director of Enforcement; and Diane E. Burell, Investigator.

FINDINGS OF FACT

1. Prior to institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Petitioner and Petitioner was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Petitioner waived representation by counsel, notice and hearing, and consented to the entry of this Order.
3. Petitioner received a Certificate in Vocational Nursing from Texas Woman's University, on May 9, 2000. Petitioner was licensed to practice vocational nursing in the State of Texas on August 24, 2000. Petitioner received a Baccalaureate Degree in Nursing from Texas Woman's University, Denton, Texas, on December 15, 2000. Petitioner was licensed to practice professional nursing in the State of Texas on February 6, 2001.

4. Petitioner's nursing employment history includes:

05/00 - 10/00	GVN/LVN	Brockhaven Nursing Center Carrollton, TX
10/00 - 04/01	LVN/RN	Signature Pointe on the Lake Dallas, TX
12/00 - 11/01	LVN/RN	Presbyterian Hospital - Plano Plano, TX
03/01 - 09/01	RN	Star Med Healthcare and Staffing Dallas, TX
11/01 - 02/10	RN	HCA All About Staffing of Texas Irving, TX
03/10 - present	Not employed in nursing	

5. On May 26, 2010, the Board accepted the voluntary surrender of Petitioner's licenses to practice vocational and professional nursing in the State of Texas. A copy of the May 26, 2010, Order of the Board, Findings of Fact, and Conclusions of Law, is attached and incorporated, by reference, as a part of this Order.
6. On or about July 11, 2011, Petitioner submitted a Petition for Reinstatement of Licenses to practice vocational and professional nursing in the State of Texas.
7. Petitioner presented the following in support of his petition:
- 7.1. Respondent's Motion to Dismiss, under Cause No. 2-81991-10, in the County Court at Law Number 2, Collin County, Texas, the motion was granted on May 31, 2011.
- 7.2. Letter of support, dated July 2, 2011, from Terri Lytle, RN, McKinney, Texas, states she has known Petitioner for nearly eight (8) years. Although Ms. Lytle has not worked with Petitioner in a nursing capacity, she has seen him work on numerous mission projects through the church. Petitioner has always displayed a high degree of integrity, responsibility, ambition, and dedication to the profession. He is definitely a leader rather than a follower. He has been an excellent clinical reference for pharmacists, physicians and fellow nurses regarding practical pharmaceutical applications in the "real life setting." His eight (8) years combined experience working for Merck & Co., and Bristol-Myers Squibb gave an insider's view of cardiovascular medications. His excellent time management skills allow him to be an available and dependable team player. His good judgment and mature outlook ensure a logical and practical approach to his endeavors. Petitioner has acknowledged that his dedication to work and work projects would very often require more time than is physically possible. Following his car accident in February 2010, he has re-

assessed what the "important" aspects of his life are, including family, spiritual walk, physical health, and how a well-rested nurse will serve his patient in a much better fashion. Petitioner would be an asset to any organization and Ms. Lytle is happy to give him her endorsement.

- 7.3. Letter of support, dated July 4, 2011, from Richard Watson, RN, BSN, Plano, Texas, states in 2001, he was Petitioner's preceptor for six (6) months during his orientation to the Progressive Care Unit (PCU) at Presbyterian Hospital of Plano. Mr. Watson has worked with numerous students who have substantial knowledge of nursing and science. Each year Mr. Watson notices that only a few outstanding students offer a unique perspective and really embrace their learning of the subject matter. To this date, Petitioner's analytical skills and ability to grasp new ideas are far above those of the vast majority of nurses Mr. Watson has trained. Petitioner ranks as one of the top three (3) nurses with whom Mr. Watson has worked. In Mr. Watson's opinion, Petitioner will once again make an excellent Registered Nurse. He believes that Petitioner will be a far superior nurse than he was previously.
- 7.4. Negative drug screen collected April 13, 2011.
- 7.5. Verification of successful completion of at least twenty (20) contact hours of continuing education.
8. On December 5, 2011, Petitioner submitted to a forensic psychological evaluation, with a chemical dependency component, conducted by Jim Womack, PhD. Dr. Womack is of the opinion that Petitioner is at a low risk to engage in any form of criminal conduct in the future. Petitioner does not pose a danger to the community, inasmuch as there are no reported patterns of behaviors associated with intended or unintended risk to others or property. Dr. Womack's opinion is that Petitioner is cognitively and emotionally able and willing to consistently behave in accordance with the Board's Rules and Regulations. Petitioner's acceptance of responsibility for the inappropriate practice of carrying medical supplies from one site to another, and his loss of a positive social image, are seen as positive predictors for his willingness to avoid behaviors constituting unprofessional conduct as identified by the Board.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Pursuant to Section 301.467, Texas Occupations Code, the Board may refuse to issue or renew a license, and may set a reasonable period that must lapse before reapplication. Pursuant to 22 TEX. ADMIN. CODE §213.26, the Board may impose reasonable conditions that a Petitioner must satisfy before reissuance of an unrestricted license.

TEXAS BOARD OF NURSING

Texas Board of Nursing,

April 15, 2010

I am writing to clarify a letter I sent to the Texas Board of Nursing in early March, 2010. My license #675095 was placed in an "Inactive Status." I wish to VOLUNTARILY SURRENDER my license as I do not plan on practicing nursing in any capacity. I am officially retired from nursing and do not want to carry the responsibility of being a Registered Nurse. I have enjoyed helping numerous patients over the past decade, however do not feel a calling to continue in this field. Thank you for your prompt attention to my wishes. Please immediately place my license into a retired or voluntary surrender status as of the end of February, 2010. Thank you for discontinuing my license!

Sincerely,

A handwritten signature in cursive script, appearing to read "Micah Jerrell".
