BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse § AGREED
License Number 606012, issued to §
ROGER KENNETH BLACKMAN § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of ROGER KENNETH BLACKMAN, Registered Nurse License Number 606012, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10),(12)&(13), Texas Occupations Code. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order offered on June 21, 2010, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from Blinn College, Bryan, Texas in May 1994. Respondent was licensed to practice professional nursing in the State of Texas on July 11, 1994.

5. Respondent's nursing employment history includes:

05/94 - 09/95	GN/RN Staff Nurse	Trinity Medical Center Brenham, Texas
10/95- 02/98	Staff Nurse ICU	Austin Diagnostic Medical Center Austin, Texas

Respondent's nursing employment history continued:

08/96 - 01/99	Clinical Supervisor	Infusion Management Systems Dallas, Texas
02/99 - 08/99	Staff Nurse/ICU	The Med Center College Station, Texas
05/00 - 08/00	Staff Nurse	Round Lake Camp Lake Como, Pennsylvania
09/00 - 11/00	Travel Nurse/ICU	Plains Regional Medical Center Clovis, New Mexico
12/00 - 06/01	Travel Nurse/ICU	General Hospital Eureka, California
07/01 - 04/08	Staff Nurse	St Joseph Regional Health Center Bryan, Texas
05/08 - 03/09	Staff Nurse	Richards Memorial Hospital Rockdale, Texas
04/09 - Present	Unknown	

6. At the time of the incidents in Findings of Fact Number Seven (7) through Nine (9), Respondent was employed as a Staff Nurse with St Joseph Regional Health Center, Bryan, Texas, and had been in this position for six (6) years and nine (9) months.
7. On or about April 24, 2008, while employed with St. Joseph Regional Health Center, Bryan, Texas, Respondent lacked fitness to practice in that while on duty he exhibited behavior, including but not limited to: sweating profusely, confused, diaphoretic, attempted to use a staple remover to remove sutures from a patient, wandering from room to room, confused regarding patients' medications, illegible documentation, he attempted to attach a secondary line to a primary line without using a connector, family members reported concerns regarding his ability to perform his duties, he ordered labs for the wrong patient, and he told a staff member "I'll be okay if I don't have to think real fast." Respondent was removed from his assignment and it was requested that he submit a specimen for a drug screen. Respondent left the facility prior to providing a specimen for a drug screen. Respondent's conduct could have affected his ability to recognize subtle signs, symptoms or changes in the patient's condition, and could have affected his ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patient in potential danger.

8. On or about April 24, 2008, while employed with St. Joseph Regional Health Center, Bryan, Texas, Respondent withdrew Morphine from the Diebold Medication Dispensing System for Patient Medical Record Number M000744512 at 2029 and for Patient Medical Record Number M002899557 at 2340, but failed to document the administration of the Morphine in the patients' Medication Administration Record (MAR). Respondent's conduct was likely to injure the patients in that subsequent care givers would rely on her documentation to further medicate the patient which could result in over medication.
9. On or about April 24, 2008, while employed with St. Joseph Regional Health Center, Bryan, Texas, Respondent withdrew Morphine from the Diebold Medication Dispensing System but failed to follow the policy and procedure for the wastage of Morphine in that he left a vial of Morphine and a syringe with a needle containing 1/2 cc of clear liquid on top of a cabinet in Patient Medical Record Number M00710091's room. Respondent's conduct was likely to deceive the hospital pharmacy and placed them in violation of Chapter 481 of the Texas Health and Safety Code (Controlled Substances Act).
10. In response to Findings of Fact Number Seven (7) through Nine (9), Respondent's Attorney states that "For some time, Mr. Blackman suffered from insomnia that is aggravated by frequent late-night work schedules. His primary care physician prescribed Ambien to help with his sleep issues. Initially, Mr. Blackman tolerated Ambien well but at the time of the incident in 2008, he had similar, strange behaviors at home. His wife described an incident where he was walking around their home improperly dressed and non-responsive to questions or conversation. Mr. and Ms. Blackman believe that on or about April 24, 2008, he took a dose of Ambien before bed and then, without realizing it, took one or more additional doses which ultimately caused a bout of highly erratic behavior. Since that time, Mr. Blackman only takes Ambien when Mrs. Blackman, a nursing student, is at home to supervise and make certain that no additional doses are taken. Sleepwalking, and eating or driving while not fully awake, with amnesia for the event, are side-effects of Ambien acknowledged by its manufacturer, Sanofi-Aventis. Mr. Blackman's behavior at St. Joseph was consistent with the side-effects. Prior to and since this unfortunate incident, Mr. Blackman has had no complaints or disciplinary actions taken by employers. This was an isolated incident that was humbling and humiliating for Mr. Blackman. He regrets any disruptions that his behavior may have caused at St. Joseph. . ."

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(10),(12)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§217.11(1)(A),(B)&(D) and 217.12(1)(A),(E),(4),(5),(10)(A),(C)&(11)(B).
