BEFORE THE TEXAS BOARD OF NURSING

\*\*\*\*\*

In the Matter of Vocational Nurse § AGREED  
License Number 181592 §  
issued to DEBORAH SUZANNE RIDGE § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of DEBORAH SUZANNE RIDGE, Vocational Nurse License Number 181592, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order offered on June 20, 2008, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Grayson County College, Denison, Texas on August 13, 2001. Respondent was licensed to practice vocational nursing in the State of Texas on September 25, 2001.
5. Respondent's vocational nursing employment history includes:
 

09/2001- Unknown	Staff Nurse	Texoma Medical Center Texoma, Texas
------------------	-------------	--

Respondent's vocational nursing employment history continued:

03/2003 - 03/2004	Staff Nurse	D & S Residential Sherman, Texas
11/2003 - 11/2004	Staff Nurse	Post Oak Care and Rehabilitation Sherman, Texas
12/2004 - 03/2005	Unknown	
04/2005 - Unknown	Staff Nurse	Community Specialty Hospital Sherman, Texas
06/2007 - 10/2007	Staff Nurse	The University of Texas Medical Branch Correctional Managed Care (UTMB- CMC), Galveston, Texas, assigned to Texas Department of Criminal Justice Stiles Unit, Beaumont, Texas
11/2007 - Present	Unknown	

6. At the time of the incident in Finding of Fact Number Seven (7), Respondent was employed as a Staff Nurse with UTMB-CMC, Galveston, Texas, assigned to Texas Department of Criminal Justice, Stiles Unit, Beaumont, Texas, and had been in this position for two (2) months.
7. On or about August 11, 2007, while employed with UTMB-CMC, Galveston, Texas, assigned to Texas Department of Criminal Justice, Stiles Unit, Beaumont, Texas, Respondent failed to appropriately assess and intervene regarding the care of Patient Number 1384375, who had complained of nausea, upper extremity numbness, and a persistent headache that was unrelieved by medication, which are symptoms consistent with possible intracerebral hemorrhage (ICH). Although the patient's Medication Profile was stored electronically and was not in a paper chart for reference during triage, Respondent did not ask the patient about his medications during her assessment. The patient's medical history and ordered medications, including Coumadin, put him at risk for ICH. Instead of immediately referring the patient to a provider, or consulting the Registered Nurse who was readily available, she instructed the patient to submit a sick call request (SCR) to be seen later by a provider. Later, when Respondent received a call from Security that the patient had an episode of vomiting, she did not refer the patient to the provider, but instead instructed Security to have the patient place a cold rag on his face/neck, lie down, try to relax and to return to the clinic if the symptoms did not subside, instructions which she failed to document in the medical record. When Security called again, this time to inform Respondent that the patient had "passed out," she asked Security to assess the patient's condition and waited for Security to report back to her instead of responding herself and immediately going to assess the patient with the appropriate equipment. When Respondent did arrive to care

for the patient, she failed to bring the automated external defibrillator (AED), as required. The patient subsequently became unresponsive and was pronounced deceased later that day. Respondent's conduct resulted in an incomplete medical record, may have unnecessarily delayed medical interventions which could have helped stabilize the patient and/or prevent complications, and may have contributed to the patient's demise.

8. In response to the incident in Finding of Fact Number Seven (7), Respondent states that it is her understanding that all licensed participants involved in the incident have been found without fault and she believes that a memorandum was sent to the Charge Nurse, stating that even though Respondent was still in training, she followed all procedures. Respondent further states that she believes that her record and evaluations speak for themselves, always exemplary, including her ninety-day employment evaluation following the incident.

#### CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§217.11(1)(A),(1)(B)(1)(D), (1)(M),(1)(P)&(2)(A) and 217.12(1)(A),(1)(B),(1)(C)&(4)
4.
