In the Matter of Vocational Nurse                    §        AGREED  
License Number 154851                                §  
issued to CASEY D. DAVIS                            §        ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of CASEY D. DAVIS, Vocational Nurse License Number 154851, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(2),(9)&(10), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on March 18, 2011, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from South Plains College, Plainview, Texas, on August 18, 1995. Respondent was licensed to practice vocational nursing in the State of Texas on October 10, 1995.
5. Respondent's nursing employment history is unknown.

6. On or about March 4, 2009, Respondent submitted a License Renewal Form (Delinquent for over 90 days) to the Texas Board of Nursing in which she provided false, deceptive, and/or misleading information, in that she answered "No" to the question: "Have you, within the past 24 months or since your last renewal, for any criminal offense, including those pending appeal:
- A. been convicted of a misdemeanor?
  - B. been convicted of a felony?
  - C. pled nolo contendere, no contest, or guilty?
  - D. received deferred adjudication?
  - E. been placed on community supervision or court-ordered probation, whether or not adjudicated guilty?
  - F. been sentenced to serve jail or prison time? court-ordered confinement?
  - G. been granted pre-trial diversion?
  - H. been arrested or have any pending criminal charges?
  - I. been cited or charged with any violation of the law?
  - J. been subject of a court-martial; Article 15 violation; or received any form of military judgement/punishment/action?"

Respondent failed to disclose the following criminal history as outlined in the June 15, 2007, Default Decision and Order issued by the State of California, Board of Vocational Nursing and Psychiatric Technicians, Sacramento, California.

On or about July 11, 2003, Respondent was pulled over by the San Bernardino Police Department. Respondent was subsequently arrested for possession of less than one ounce of marijuana. On or about September 11, 2003, Respondent was convicted by the Court on a plea of guilty to one count of violating Health and Safety Code Section 11357(b), misdemeanor, (possession of less than one ounce of Marijuana), in the Superior Court of California, County of San Bernardino, Barstow District, Case No. MSB070233.

On or about November 10, 2001, Respondent was observed by a Loss Prevention Agent at Nordstrom, removing several items of clothing and concealing them inside a handbag. Respondent then left the store without paying for the items. On or about March 24, 2004, Respondent was convicted by the Court on a plea of guilty to one count of violating Penal Code section 487(a), a misdemeanor, (grand theft), in the Superior Court of California, County of Riverside, Case No. RIM447418.

7. In response to Finding of Fact Number Six (6), Respondent states she was arrested for one count of Grand Theft in Riverside, California, on or about November 2003. She stole three items from a Nordstrom Department Store, was arrested and served three days in jail in a Riverside County Jail in Banning, California. She was released and told the charges were dropped for time served. Several months later she realized the District Attorney had picked up the case and she had court fines and missed court dates and no way to pay the fines off. Respondent stated she was unemployed at the time, not working as an LVN, and was

homeless. The fines continued to increase as Respondent was unable to pay them on a regular basis. On or about April 12, 2007, she turned herself in to the Riverside Sheriff's Office in an attempt to pay off what she owed and was given sixty (60) days of voluntary jail time to pay fines. She served three (3) days and was released. Respondent stated she had no reason for non disclosure. This happened seven years ago and the matter has been settled in Riverside, California.

8. On or about March 4, 2009, Respondent submitted a License Renewal Form (Delinquent for over 90 days) to the Texas Board of Nursing in which Respondent answered "Yes" to the question: "Has any licensing authority refused to issue you a license or ever revoked, annulled, cancelled, accepted surrender of, suspended, placed on probation, refused to renew a nursing license, certificate, or multi-state privilege held by you now or previously, or ever fined, censured, reprimanded, or otherwise disciplined you? (You may exclude disciplinary action previously disclosed to the Texas Board of Nursing on an initial or renewal licensure application.)"
9. On or about June 15, 2007, Respondent's license to practice vocational nursing in the State of California was REVOKED under a Default Decision and Order entered into between Respondent and the State of California, Board of Vocational Nursing and Psychiatric Technicians, Sacramento, California. A copy of the June 15, 2007, Default Decision and Order is attached and incorporated, by reference, as part of this Order.
10. On or about March 4, 2009, Respondent submitted a License Renewal Form (Delinquent for over 90 days) to the Texas Board of Nursing in which Respondent answered "Yes" to the question: "In the past 5 years, have you been addicted or treated for the use of alcohol or any other drug? (You may answer "no" if you have completed and/or are in compliance with TPAPN)"
11. In response to Finding of Fact Number Ten (10), Respondent states she answered "yes" to the question because she believed honesty is the best policy. She abused crystal meth from 2001 to June 30, 2008. She has been clean and sober for 21 months and felt she had been given a second chance at life. She further stated she has no desire to be part of that lifestyle again. Respondent completed a recovery program February 2008, of the Gibson House for Women, and submitted the "Report of Health Status" to them to fill out and fax to the Board in November 2009. She further indicated that she is willing to do whatever is necessary to have her nursing license in good standing so that she may continue on her road to doing the right things. Respondent provided a copy of her certificate of completion from the Gibson House for Women of which she attended December 18, 2007, through February 15, 2008.
12. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.
