Information received by the Board produced evidence that PETITIONER may have violated Section 301.452 *et seq.*, Texas Occupations Code.

PETITIONER waived representation by counsel, notice and hearing, and agreed to the entry of this Order offered on September 17, 2007, by Katherine A. Thomas, MN, RN, Executive Director.

This includes expunged offenses and deferred adjudications with or without prejudice of guilt."*

 - A. On or about June 12, 2003, Petitioner pled Guilty to "Theft," a State Jail Felony offense, committed on January 17, 2003, in the 142nd Judicial District Court of Midland County, Texas, Cause No. CR28525. 6. On October 13, 2005, Petitioner presented to John Lehman, PhD, Clinical Psychologist, Richardson, Texas, to undergo evaluation to determine eligibility for licensure. The results of the evaluation indicate that Petitioner is in need of some counseling to address anxiety and post-traumatic stress issues. Dr. Lehman feels this counseling should be mandatory for licensure. Dr. Lehman also feels that this counseling should also address her ongoing use/abuse of marijuana. Dr. Lehman does not believe that Petitioner is chemically dependent but does use/abuse marijuana. In addition to counseling, Dr. Lehman recommends monitoring and random drug screening for two (2) years. With these in place, he feels that the Petitioner could practice safely.
7. On December 8, 2005, the Executive Director found the Petitioner ineligible for licensure as a vocational nurse. A copy of the December 8, 2005, Denial Letter is attached and incorporated by reference as part of this Order.

She had been working on a weekly and bimonthly basis on her anger and relationship issues, as well as her history of marijuana use. Her last reported use of marijuana was October 12, 2005.
12. The safety of patients and the public requires that all persons licensed to practice nursing be fit, sober, and able to consistently practice nursing in autonomous roles under demanding and stressful conditions.
13. The Executive Director considered evidence of Petitioner's substance abuse as provided in §213.29, 22 Texas Administrative Code.
14. The Executive Director's review of the grounds for potential ineligibility has been made on the basis of the information provided by Petitioner.
15. Petitioner has sworn that, with the exception of matters disclosed in connection with the petition, her past behavior conforms to the Board's professional character requirements. Petitioner presented no evidence of behavior which is inconsistent with the Board's character requirements in 22 Texas Administrative Code §213.27.
16. On or about August 15, 2007, the Executive Director considered evidence of Petitioner's past behavior in light of the character factors set out in 22 Texas Administrative Code §213.27 and determined that Petitioner currently demonstrates the criteria required for good professional character.
