Executive Director of the Board

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered License Number 231691 issued to DEBRA STONE ROBINSON § § AGREED ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board considered the matter of DEBRA STONE ROBINSON, Registered License Number 23 hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.251, Texas Occupations Code and Section 301.452(b)(1)&(10), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on February 3, 2011, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

- 1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
- 2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
- 3. Respondent is currently licensed to practice professional nursing in the State of Texas.
- 4. Respondent received a Diploma in Nursing from Methodist Hospital, Lubbock, Texas, on June 1, 1974. Respondent was licensed to practice professional nursing in the State of Texas on September 16, 1974.
- 5. Respondent's professional nursing employment history is unknown.

6. On December 9, 2003, Respondent was issued the sanction of a WARNING WITH STIPULATIONS by the Board of Nurse Examiners for the State of Texas. A copy of the Findings of Fact, Conclusions of Law, and Agreed Order dated December 9, 2003, is attached and incorporated, by reference, as part of this Order.
7. On January 19, 2006, Respondent was issued the sanction of an ENFORCED SUSPENSION by the Board of Nurse Examiners for the State of Texas. A copy of the Findings of Fact, Conclusions of Law, and Agreed Order dated January 19, 2006, is attached and incorporated, by reference, as part of this Order.
8. On or about January 1, 2009 through October 7, 2009, while employed with Dr. Hemmo A. Bosscher, Lubbock, Texas, Respondent practiced as a Registered Nurse without a valid license. Board records indicate her license expired December 31, 2008, and was not renewed until October 7, 2009. Respondent's conduct deceived residents, their families, fellow care givers, and the public in that they believed Respondent's nursing practice was in compliance with all Board Rules and Regulations.
9. In response to Finding of Fact Number Eight (8), Respondent states: She was under the impression that her license would be renewed at the end of her probation. She did not knowingly practice while her license was expired. Respondent feels that she should have been notified by her probation monitor when she noticed the license was not renewed. When Respondent was notified that her license was expired she immediately renewed it.
