6. On or about June 9, 2009, Respondent's license to practice vocational nursing in the State of Texas was issued a WARNING WITH STIPULATIONS by the Texas Board of Nursing. A copy of the Findings of Fact, Conclusions of Law and Order dated June 9, 2009 is attached and incorporated, by reference, as part of this order.
7. At the time of the initial incident, Respondent was employed as a charge nurse with Summer Meadows Nursing Home, Longview, Texas, and had been in this position for one (1) year and four (4) months.
8. On or about November 1, 2009 and November 2, 2009, while employed as the charge nurse with Summer Meadows, Longview, Texas, Respondent failed to provide wound care treatments to Resident Medical Record Numbers 2853, 2912, 2995 and 24121, as ordered by the physician. Respondent's conduct delayed the onset of medical treatment needed to prevent further complications and infection.
9. In response to the incident in Finding of Fact Number Eight (8), Respondent states:

"I was never instructed to do treatments. The nursing home has a weekend RN that came in and was responsible for treatments, [KE], RN. She never came within my hours in the past. [TS], LVN would tell me that she (KE) would be doing treatments on my hall until after 10pm at times so I just thought that she was coming in late as usual. The other nurses on different halls informed me that they were not aware to do own treatments and told me they were not going to do them. The on call nurse that weekend was [AA], RN, ADON. She never called and informed staff to do own treatments. The nursing home is a 24 hour facility and the nurse that followed me did not attempt to do treatments after being there all night and knowing that the treatment nurse did not come in."
