BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse § AGREED
License Number 709912 §
issued to GLADYS GIPSON § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of GLADYS GIPSON, Registered Nurse License Number 709912, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on January 5, 2011, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from San Diego City College, San Diego, California on June 3, 2002. Respondent was licensed to practice professional nursing in the State of Texas on September 16, 2004.
5. Respondent's nursing employment history includes:

6/2002 - 3/2004	Staff Nurse	San Diego Hospice ICC San Diego, California
-----------------	-------------	--

Respondent's nursing employment history continued:

4/2004 - 9/2005	Staff Nurse	Fibromyalgia Clinic Fort Worth, Texas
11/2004 - 9/2005	Staff Nurse	Planned Parenthood Dallas, Texas
9/2005 - 11/2006	Staff Nurse	Harris Methodist Hospital Fort Worth, Texas
11/2006 - 11/2207	Charge Nurse	Veterans Affairs Hospital Dallas, Texas
12/2007 - 10/2008	Not employed in nursing	
11/2008 - 5/2009	Staff Nurse	United Cerebral Palsy Dallas, Texas
11/2009 - 12/2009	Staff Nurse	Plaza Medical Center of Fort Worth Fort Worth, Texas
1/2010 - present	Not employed in nursing	

6. On September 13, 2004, Respondent was issued an Eligibility Agreed Order by the Board of Nurse Examiners for the State of Texas. A copy of the Findings of Fact, Conclusions of Law, Agreed Sanctions, and Eligibility Agreed Order dated September 13, 2004, is attached and incorporated herein by reference as part of this Order.
7. At the time of the incident in Finding of Fact Number Seven (7), Respondent was employed as a staff nurse with Plaza Medical Center of Fort Worth, Fort Worth, Texas, and had been in this position for three (3) weeks.
8. On or about December 7, 2009, while employed as a staff nurse with Plaza Medical Center of Fort Worth, Fort Worth, Texas, Respondent administered 10cc Insulin (100 units per 1cc) to Patient MR# 000345010, instead of 10 units of Insulin as ordered by the physician. Additionally, Respondent falsely entered another nurse's code in the computer indicating the Insulin had been verified with that nurse prior to administration. Consequently the patient was transferred to the Intensive Care Unit for emergent treatment to stabilize the patient's condition. Respondent's conduct was deceiving and was likely to harm the patient who received an excessive dose of regular insulin, which led to the patient experiencing severe and potentially lethal hypoglycemia.

9. In response to the incident in Finding of Fact Number Eight (8), Respondent states her preceptor informed her there were new orders for the patient and she followed the preceptor into the medication room where they assembled the medications and discussed how to use them. Respondent states the preceptor instructed her to push the D50 and follow it with 10cc's of regular insulin, and when she informed him that 10cc's was the entire vial of insulin, the preceptor informed her it was because of the amount of D50 that was being given. Respondent states they went to the patient's room and when she asked the preceptor to verify in the computer that they had verified the medications together, he instructed her to enter his computer code, which she did.
10. On or about December 7, 2009, while employed as a Staff Nurse with Plaza Medical Center of Fort Worth, Fort Worth, Texas, Respondent failed to clarify the physician's order to administer regular insulin 10cc's to Patient M000345010. Respondent's conduct was likely to cause injury to the patient in that her failure to clarify the physician's order resulted in the the patient receiving an excessive dose of regular insulin, and experiencing potentially lethal hypoglycemia, decreased level of consciousness, and transfer to the Intensive Care Unit for emergent treatment.
11. In response to the incident in Finding of Fact Number Ten (10), Respondent states she did not verify the physician's order before administering the insulin believing it was not necessary to challenge the instruction of the preceptor since he had taken the order from the physician. Respondent states that when she informed the preceptor it was time for him to sign off in the computer to verify the correct administration of the medications he asked her to input his code into the system, which she did, and then she administered the medications.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.11(1)(B),(1)(C),(1)(D)&(1)(N) and 22 TEX. ADMIN. CODE §217.12(1)(B),(4)&(6)(A).
