BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse	§	AGREED
License Number 680439	§	
issued to MICHELLE DOWDEN KASPRZAK	§	ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of MICHELLE DOWDEN KASPRZAK, Registered Nurse License Number 680439, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10),(12)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on July 17, 2009, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received a Baccalaureate Degree in Nursing from Northwestern State University, Natchitoches, Louisiana on May 16, 1997. Respondent was licensed to practice registered nursing in the State of Texas on July 31, 2001.
5. Respondent's complete professional nursing employment history is unknown.

6. At the time of the initial incident, Respondent was employed as a Registered Nurse with All About Staffing, Irving, Texas, and assigned primarily to the Medical Center of Lewisville, Lewisville, Texas, and had been in this position for an undisclosed amount of time.
7. On or about June 30, 2007, while employed with All About Staffing, Irving, Texas, and assigned primarily to the Medical Center of Lewisville, Respondent lacked fitness to practice professional nursing in that she attempted suicide by drug overdose. Respondent had been found unresponsive on the floor of her bathroom with a needle next to her arm. Respondent was taken to the Presbyterian Hospital of Denton Emergency Department via EMS. Additionally, EMS personnel had secured two small make-up bags from Respondent's home closet that contained packaged narcotics (morphine, dilaudid, lorazepam, and diazepam), along with used and unused needles. Furthermore, the clinical impression of the ED treating physician was documented as intentional drug overdose. Respondent's condition could have affected her ability to recognize subtle signs, symptoms or changes in patients' conditions, and could have affected her ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patients in potential danger.
8. Respondent admits that on the night of June 30, 2007, she did something very pathetic, very hopeless and desperate, she attempted to take her own life. Respondent stated that she had never attempted this before and would never do it again.
9. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(10), (12)&(13), Texas Occupations Code, 22 TEX. ADMIN. CODE §217.11(1)(A), and 22 TEX. ADMIN. CODE §217.12(1)(A),(5)&(10)(A).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 680439, heretofore issued to MICHELLE DOWDEN KASPRZAK, including revocation of Respondent's license to practice professional nursing in the State of Texas.
