In the Matter of Vocational Nurse
License Number 187948
issued to LORI ALLISON CALDWELL, a/k/a
LORI DIANNE HUNSTABLE

§ AGREED
§
§ ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of LORI ALLISON CALDWELL, Vocational Nurse License Number 187948, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(3)&(10), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on May 10, 2010, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Trinity Valley Community College, Kaufman, Texas, on December 13, 2002. Respondent was licensed to practice vocational nursing in the State of Texas on February 11, 2003.
5. Respondent's nursing employment history is unknown.

6. On or about May 29, 2005, Respondent was arrested by the Henderson County Sheriff's Office, Athens, Texas, for DRIVING WHILE INTOXICATED (a Class B misdemeanor offense). On or about October 19, 2005, Respondent entered into an agreement in the County Court at Law No. 2 of Henderson County, Texas, under Cause No. 2005-0870CL2, to participate in the Henderson County Pre-Trial Intervention Program. Respondent successfully completed the Program.
7. In Response to Finding of Fact Number Six (6), Respondent states: She went to a local club/restaurant on the lake to listen to a band with her husband. Respondent had a few drinks and when she realized her husband was not going to stop drinking she proceeded to order water and stop drinking so she could drive home. Once Respondent pulled onto a highway she was pulled over. The officer asked for a breathalyzer and Respondent blew a 0.10. Respondent was arrested and taken to jail.
8. On or about February 3, 2007, Respondent was arrested by the Gun Barrel City Police Department, Gun Barrel City, Texas, and subsequently charged under Cause No. A-15,985 for RESIST ARREST SEARCH OR TRANSPORT (a Class A misdemeanor offense), and Cause No. A-15,986 for ASSAULT ON A PUBLIC SERVANT (a Third Degree felony offense).

On or about February 7, 2008, Respondent entered a plea of "GUILTY" to the lesser offense of RESIST ARREST (a Class A Misdemeanor offense committed on February 3, 2007), in the 173rd District Court of Henderson County, Texas, under Cause No. A-15,985. As a result of the plea, the proceedings against Respondent were deferred without entering an adjudication of guilt, and Respondent was placed on Community Supervision for a period of two (2) years and ordered to pay a fine, along with court costs. On or about February 7, 2008, Respondent consented to the Court's consideration of the unadjudicated offense cited in Cause No. A-15,986 in determining the punishment for Cause No. A-15,985 as permitted under Texas Penal Code Section 12.45. Cause No. A-15,986 was then dismissed.
9. In Response to Finding of Fact Number Eight (8), Respondent states: She went to a small club with friends and had a few drinks. Respondent's husband was ready to leave, but she was not. As they proceeded to walk outside Respondent slapped her husband on the arm stating, "I'm not ready to go." There were cops outside the club and they proceeded to arrest her. During the arrest one officer touched the Respondent's left breast which aggravated her, and while trying to put the Respondent in the car, she tried to kick at them.
10. On March 3, 2010, Respondent underwent forensic psychological evaluation with Dr. Lehman. Dr. Lehman's Summary is that she has completed two years of AA, and has completed all her probation. There is nothing to indicate a chemical dependency, but she clearly has abused alcohol in the past. There are no apparent issues with drugs. She continues to drink on weekends, and Dr. Lehman recommended to her that she quit drinking. She agreed. Other than alcohol abuse, there are no other diagnoses. She is fit to practice, but Dr. Lehman would recommend random drug screening for about a year and an agreement that she would refrain from alcohol use.

11. Formal Charges were filed on February 2, 2009.
12. Formal Charges were mailed to Respondent on February 6, 2009.
13. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(3)&(10), Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.12(13).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 187948, heretofore issued to LORI ALLISON CALDWELL, including revocation of Respondent's license to practice vocational nursing in the State of Texas.
