

6. At the time of the initial incident, Respondent was employed as a Staff Nurse with Covenant Hospital Plainview, Plainview, Texas, and had been in this position for ten (10) months.
7. On or about June 6, 2007, while employed with Covenant Hospital Plainview, Plainview, Texas, Respondent failed to clarify with the physician whether Patient Medical Record Number 9603287 should have received oral medications when the physician had ordered three (3) hours earlier that the patient was to have nothing by mouth (NPO). Respondent's conduct may have injured the patient in that the patient would have suffered complications from oral administration of medications.
8. On or about June 6, 2007, while employed with Covenant Hospital Plainview, Plainview, Texas, Respondent administered medications orally to Patient Medical Record Number 9603287 even though the physician had ordered that the patient was to have nothing by mouth (NPO). While Respondent was administering the oral medications, the patient began to "gurgle," was unable to cough forcefully, and began to visibly have difficulty breathing. Within minutes, the patient experienced cardiac arrest. The patient was pronounced deceased nine (9) minutes later after attempted resuscitation was unsuccessful. Respondent's conduct may have contributed to the patient's demise.
9. In response to the incidents in Findings of Fact Numbers Seven (7) and Eight (8), Respondent states that she had not been a nurse long and had high acuity patients that night. Soon after receiving report, she began tending to patients' requests and was not able to return to examine her charts. Respondent takes full responsibility for the incident and states that she learned a great deal from the incident. Respondent states that she now checks her charts prior to assuming care of a patient.
10. Charges were filed on January 8, 2010.
11. Charges were mailed to Respondent on January 12, 2010.
