PROPOSAL FOR DECISION

Staff of the Texas Board of Nursing (Staff/Board) seeks to discipline Thelma Christine Kemp (Respondent) for violating provisions of the Nursing Practice Act, TEX. OCC. CODE ch. 301, and the Board's rules. Despite being sent proper notice, Respondent did not appear nor was she represented at the hearing. Based on Respondent's failure to appear, Staff's allegations were accepted as true, establishing the violations. The Administrative Law Judge (ALJ) agrees with Staff's recommendation that Respondent's license should be revoked.

I. JURISDICTION, NOTICE, AND PROCEDURAL HISTORY

The hearing convened July 7, 2010, before ALJ Michael J. Borkland in the William P. Clements Building, 300 West 15th Street, Fourth Floor, Austin, Texas. Staff was represented by Robert Kyle Hensley, Assistant General Counsel, who moved for default based on Respondent's failure to appear.

Staff offered competent evidence establishing jurisdiction and that appropriate notice of the hearing was provided to Respondent. Those matters are set out in the Findings of Fact and Conclusions of Law.

II. RECOMMENDATION

Based upon the following Findings of Fact and Conclusions of Law and in accordance with 1 TEX. ADMIN. CODE § 155.501, the ALJ granted Staff's motion for default, deems Staff's allegations to be true, and recommends that Respondent's license be revoked.

III. FINDINGS OF FACT

1. Thelma Christine Kemp (Respondent) is a Vocational Nurse licensed by the State of Texas, holding license number 207804.
2. Staff of the Texas Board of Nursing (Staff/Board) issued its Formal Charges against Respondent on March 9, 2009.
3. On April 6, 2010, Staff mailed its Notice of Hearing and the charges to Respondent by certified mail, return receipt requested, at 200 Brenda, Converse, Texas 78109, Respondent's address of record on file with the Board. According to United States Postal Service Track & Confirm results, the notice was forwarded to Respondent at an address in San Antonio, Texas, and received on April 9, 2010, at 4:02 p.m.
4. The notice of hearing contained a statement of the time, place, and nature of the hearing; a statement of the legal authority and jurisdiction under which the hearing was to be held; a reference to the particular sections of the statutes and rules involved; and a short, plain statement of the matters asserted.
5. The notice of hearing contained the following language in capital letters in 12-point boldface type: "Failure to appear at the hearing in person or by legal representative, regardless of whether an appearance has been entered, will result in the allegations contained in the formal charges being admitted as true and the proposed recommendation of staff shall be granted by default."
6. Respondent did not appear and was not represented at the hearing.
7. Staff moved for a default, which was granted.
8. On July 15, 2007, while employed with Silver Tree Nursing and Rehabilitation, Schertz, Texas, Respondent left her nursing assignment without notifying the appropriate supervisor and before adequate replacement arrived. Respondent failed to report on her assigned patients and her conduct failed to promote a safe environment in that it deprived her assigned patients of continuity of care and placed the facility at risk of inadequate nursing care in the event of a significant change in a patient's condition.
9. On July 18, 2007, while employed with Silver Tree Nursing and Rehabilitation, Schertz, Texas, Respondent falsified the medical records of Patient VT to show administration of Norco in Patient VT's Medical Administration Record, when she had not signed out the Norco and had not actually administered the medication. Respondent's conduct was deceiving to subsequent caregivers who would rely on an inaccurate medical record to provide ongoing medical care.

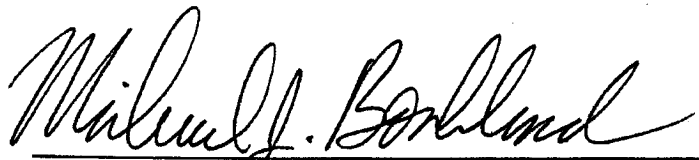

10. On July 19, 2007, while employed with Silver Tree Nursing and Rehabilitation, Schertz, Texas, Respondent signed out Norco on the Narcotic Log for Patient VT, but failed to completely and accurately document the administration of the medication in the patient's Medication Administration Records. Respondent's conduct was likely to injure the patient in that subsequent caregivers would rely on the documentation to further medicate the patient, which could have resulted in an overdose.
11. On July 19, 2007, while employed with Silver Tree Nursing and Rehabilitation, Schertz, Texas, Respondent signed out Norco on the Narcotic Log for Patient VT, but failed to follow the policy and procedure for the wastage of unused portions of the medication. Respondent's conduct was likely to deceive the hospital pharmacy and place it in violation of the Controlled Substances Act.
12. On July 19, 2007, while employed with Silver Tree Nursing and Rehabilitation, Schertz, Texas, Respondent withdrew and/or administered Norco to Patient VT in excess frequency and/or dosage of the physician's order. Respondent's conduct was likely to injure the patient in that the administration of Norco in excess frequency and/or dosage of the physician's order could have resulted in the patient suffering from adverse reactions.
13. On July 19, 2007, while employed with Silver Tree Nursing and Rehabilitation, Schertz, Texas, Respondent misappropriated Norco belonging to the facility and patients thereof, or failed to take precautions to prevent such misappropriation. Respondent's conduct was likely to defraud the facility and patients of the cost of the medication.
