BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Vocational Nurse § AGREED
License Number 92161 §
issued to MARIA A. MORALES § ORDER

An investigation by the Texas Board of Nursing, hereinafter referred to as the Bo produced evidence indicating that MARIA A. MORALES, hereinafter referred to as Respond Vocational Nurse License Number 92161, may have violated Section 301.452(b)(10)&(13), Texas Occupations Code.

An informal conference was held on June 1, 2010, at the office of the Texas Board of Nursing, in accordance with Section 301.464 of the Texas Occupations Code.

Respondent appeared in person. Respondent was notified of her right to be represented by legal counsel and elected to waive representation by counsel. In attendance were Katherine A. Thomas, MN, RN, Executive Director; Nikki Hopkins, Assistant General Counsel; Anthony L. Diggs, MSCJ, Director, Enforcement Division; Rene McDonald, Legal Assistant; Jessica Sonen, Administrative Technician; and Nancy Krause, RN, Investigator.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, notice and hearing, and consented to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.

4. Respondent received Certificate in Vocational Nursing from Wharton County Junior College, Wharton, Texas, on August 24, 1981. Respondent was licensed to practice vocational nursing in the State of Texas on December 11, 1981.

5. Respondent's nursing employment history includes:

12/1981 - 1985	Staff Nurse	Autumn Hills Richmond, Texas
1985 - 1991	Charge Nurse	Life Care Corp. Houston, Texas
1991 - 1996	Staff/Charge Nurse	Mariner Health of First Colony Missouri City, Texas
1996 - Present	Director of Nurses	Oasis Life Style Stafford, Texas

6. At the time of the initial incident in Finding of Fact Number Seven (7), Respondent was employed as a Director of Nursing with Oasis Life Style, Stafford, Texas, and had been in this position for twelve (12) years.

7. On or about November 22, 2008, while employed as a Director of Nurses with Oasis Life Style, Stafford, Texas, Respondent failed to assess and provide cardiopulmonary resuscitation when Resident DH was discovered sitting up in a wheelchair with a faint pulse and apneic. Respondent's conduct deprived the resident of timely emergent interventions, including cardiopulmonary resuscitation, which may have prevented the resident's demise.

8. In response to the incident in Finding of Fact Number Seven (7), Respondent states the resident was assessed immediately and had a faint pulse so she did not check respirations. Respondent states she left the resident in the care of a Resident Care Attendant while she left to gather the resident's medical records.

9. On or about November 22, 2008, while employed as a Director of Nurses with Oasis Life Style, Stafford, Texas, Respondent failed to care adequately for Resident DH by abandoning him during a medical crisis and leaving him with a Resident Care Technician while she went to call the Emergency Medical Service and copy the patient's information for the Emergency Medical Technicians. Subsequently, when the Emergency Medical Technicians arrived they found Resident DH sitting up in a wheelchair apneic, without a pulse, and alone in a room with the door closed. Respondent's conduct deprived the resident of assessment and timely emergent interventions, including cardiopulmonary resuscitation, which may have prevented the resident's demise

10. In response to the incident in Finding of Fact Number Nine (9), Respondent states the resident was left in the care of a Resident Care Attendant to allow Respondent time to call Emergency Medical Service (EMS), as well as retrieve the resident's records. Respondent states all the staff of Oasis Life Style are now oriented with CPR/First Aid Training through the American Red Cross. When Respondent returned to the resident's room, EMS were arriving and were given verbal information as to the events that had taken place, at which time, they took over.
11. Respondent successfully completed the national cognitive and skills evaluation in accordance with the curriculum of the American Heart Association for the Basic Life Support for Healthcare Providers (CPR & AED) Program on April 20, 2010, which would have been a requirement of this Order.
