

Respondent's vocational nursing employment history continued:

09/06 - 04/08	LVN	Good Samaritan Society Denton, Texas
---------------	-----	---

05/08 - Present	Unknown	
-----------------	---------	--

5. On or about July 17, 2003, Respondent entered a plea of No Contest to RESISTING ARREST SEARCH OR TRANSPORTING, (a Class A Misdemeanor offense committed on January 20, 2003), in the County Criminal Court # 4 of Dallas County, Texas, under Cause No. MA03-48727-E. As a result of the No Contest plea, the proceedings against Respondent were deferred without entering an adjudication of guilt, and Respondent was placed on probation for a period of nine (9) months. Additionally, Respondent was ordered to pay a fine and court costs.

6. On or about October 6, 2004, Respondent submitted a Texas Online Renewal Document to the Board of Nurse Examiners for the State of Texas, in which she provided false, deceptive, and/or misleading information, in that she answered "no" to the following question:

Have you been convicted, adjudged guilty by a court, plead guilty, no contest or nolo contendere to any crime in any state, territory or country, whether or not a sentence was imposed, including any pending criminal charges or unresolved arrests (excluding minor traffic violations) since your last renewal? This includes expunged offenses and deferred adjudications with or without prejudice of guilt. Please note that DUI's DWI's PI's must be reported and are not considered minor traffic violations. (One time minor in possession [MIP] or minor in consumption [MIC] do not need to be disclosed; therefore, you may answer "No." If you have two or more MIP's or MIC's, you must answer "Yes.")

On or about July 17, 2003, Respondent entered a plea of No Contest to RESISTING ARREST SEARCH OR TRANSPORTING, (a Class A Misdemeanor offense committed on January 20, 2003), in the County Criminal Court # 4 of Dallas County, Texas, under Cause No. MA03-48727-E. Respondent's conduct was deceiving to the Board and may have affected their decision to license Respondent.

7. On or about July 31, 2006, while employed with The Vintage, Denton, Texas, and enrolled in the Texas Peer Assistance Program for Nurses (TPAPN), Respondent displayed behavior inconsistent with good recovery in that she produced a specimen which resulted positive for alcohol. The use of alcohol by a Vocational Nurse, while subject to call or duty, could impair the nurse's ability to recognize subtle signs, symptoms or changes in the patient's condition, and could impair the nurse's ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patient in potential danger.
8. On or about April 11, 2008, while employed with Good Samaritan Society, Denton, Texas, Respondent misappropriated Hydrocodone from the facility and residents thereof, in that she admitted to taking the medication for her own personal use. Respondent's conduct was likely to defraud the facility and residents of the cost of the medications.
9. On or about April 11, 2008, while employed with Good Samaritan Society, Denton, Texas, Respondent falsely documented that she administered Hydrocodone to Residents B.P., J.B., W.G. and L.B. in the residents' medication administration record and/or nurse's notes. Respondent's conduct resulted in an inaccurate medical record, and was likely to injure the residents in that subsequent care givers would not have accurate information on which to base their decisions for further care.
10. On or about August 13, 2009, Respondent was indicted for INJURY TO AN ELDERLY INDIVIDUAL (a 3rd degree felony offense committed on April 11, 2008) by the District Court of the 211th Judicial District, Denton County, Texas, Cause Number F-2009-1872E. Respondent's conduct was likely to injure patients or the public.
11. In response to Finding of Fact Numbers Five (5) and Six (6), Respondent states in 2003, she drinking alcohol with her boyfriend while at his home in Dallas, TX, and they started fighting, he hit her and she states called 911. When the police arrived, Respondent states that her boyfriend was not as upset or intoxicated as she was so the police arrested her for Public Intoxication. Because she was under the influence, Respondent states she resisted arrest. Respondent asserts that she did meet all the conditions of the court and finished her probation. Respondent states that when she renewed her license and checked "no", she called the board and told them what she did. Respondent denies that she was trying to deceive the board about her past because she values her career and her nursing license and will do whatever it takes to protect it.
12. In response to Finding of Fact Number Seven (7), Respondent states that in July 2006, she did submit a positive specimen for alcohol while enrolled in TPAPN and went back to treatment and restarted TPAPN with a much better insight into her recovery.

13. In response to Finding of Fact Numbers Eight (8) and Nine (9), Respondent states that the allegations against her are true and admits that she did falsely document that she administered Hydrocodone, when she did not. Respondent states that she admitted her conduct to her supervisor, and went into Grapevine Valley Hope inpatient treatment for five (5) weeks. Respondent asserts that she has been attending AA meetings regularly and is taking a new antidepressant medication. Respondent adds that she thinks her depression plays a big part in her life and is still trying to see what medication works best for her.
14. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.
