BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Vocational Nurse § AGREED
License Number 196684 §
issued to TEKIESHA SHAUNTE MURPHY § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the B considered the matter of TEKIESHA SHAUNTE MURPHY, Vocational Nurse License Nu..... 196684, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on July 9, 2010, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

- 1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
- 2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
- 3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
- 4. Respondent received a Certificate in Vocational Nursing from Vernon Regional Junior College at Wichita Falls, Wichita Falls, Texas, on December 14, 2000. Respondent was licensed to practice vocational nursing in the State of Texas on December 30, 2004.
- 5. Respondent's nursing employment history includes:

12/2004 - 02/2005	Unknown	
03/2005 - 01/2008	Staff Nurse	Mesquite Tree Nursing Center Mesquite, Texas

Respondent's nursing employment history continued:

07/2006 - Unknown	Staff Relief Nurse	Enterprise Medical Staffing Agency Dallas, Texas
02/2008 - Unknown	Staff Relief Nurse	Staff Quest Nurse Staffing Solutions Fort Worth, Texas

6. On or about July 27, 2007, the Texas Board of Nursing received notice from the Texas Guaranteed Student Loan Corporation (TGSLC) that Respondent defaulted on a student loan. Respondent subsequently made arrangements for repayment of her student loan with TGSLC. Respondent exhibited unprofessional conduct in her failure to repay a Texas Guaranteed Student Loan, which may have deprived other students of funds necessary for their educational programs.
7. At the time of the incidents in Findings of Fact Numbers Eight (8) and Nine (9), Respondent was employed as a Staff Relief Nurse with Staff Quest Nurse Staffing Solutions, Fort Worth, Texas, and had been in this position for one (1) month.
8. On or about March 23, 2008, while employed as a Staff Relief Nurse with Staff Quest Nurse Staffing Solutions, Fort Worth, Texas, and on assignment at Cimarron Living Center, Lewisville, Texas, Respondent failed to appropriately and timely assess and intervene when Client AG was having diarrhea. The client had two (2) documented episodes of loose stools on March 21, 2008, and one (1) documented episode during the night shift on March 22, 2008. When it was reported to Respondent on March 23, 2008, that the client again had a loose stool, she failed to perform a focused assessment, only obtaining vital signs, and then she administered an anti-diarrhea medication. Respondent failed to notify the physician or administrative staff of the client's change in condition. On March 24, 2008, the client's condition became critical, he was emergently transferred to the hospital where he was treated for severe sepsis and subsequently expired on March 31, 2008. Respondent's conduct may have contributed to the client's subsequent demise.
9. On or about March 23, 2008, while employed with Staff Quest Nurse Staffing Solutions, Fort Worth, Texas, and on assignment at Cimarron Living Center, Lewisville, Texas, Respondent failed to accurately and completely document in the medical records the vital signs of the aforementioned Client AG, any other assessment information, or that she reassessed the client one hour later. Instead, Respondent documented only that she administered one (1) tablet of Imodium for diarrhea, but failed to document that she gave the client a cup of water when she administered the Imodium. Respondent's conduct resulted in an incomplete medical record and was likely to harm the patient in that subsequent care givers would not have complete information on which to base their care decisions.

10. In response to the incident in Finding of Fact Number Eight (8), Respondent states she assessed Client AG in the shower room and that the client was responsive, that his vital signs were WNL (within normal limits), that he was given one (1) tablet of Imodium AD and an 8 oz cup of water, and that when the client was reassessed one hour later, there were no signs and symptoms of loose stool. According to Respondent, the Direct Care Staff agreed to inform Respondent of any changes in behavior or loose stool episodes. Respondent asserts that no one reported any changes of behavior throughout the rest of the shift, and she reported to the oncoming nurse to evaluate for any changes in condition. Respondent states that she worked double shifts for the weekend of March 23, 2008, and that because it was a holiday weekend, she was very busy.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§217.11(1)(A),(1)(B),(1)(D),(1)(M),(1)(P)&(2)(A) and 217.12(1)(A),(1)(B),(4)&(7).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 196684, heretofore issued to TEKIESHA SHAUNTE MURPHY, including revocation of Respondent's license to practice vocational nursing in the State of Texas.
