Respondent's conduct was likely to defraud the facility and patients of the cost of the medications.

16. Regarding the conduct outlined in Findings of Fact Numbers Eight (8) to Eleven (11), Respondent states that it had been very busy and that sometimes she would help other nurses with their patients, "whether it was giving meds, taking them to X-ray or even pulling medications for them." She states that medications were kept in a locked cabinet in which you had to get a key from the charge nurse and that after you pulled the medication you had to count the medications and sign out in a log book for the medication. Regarding the conduct outlined in Findings of Fact Numbers Twelve (12) to Fifteen (15), Respondent states that her administrator was withholding her paycheck and that she told him that she would call the labor board. She states that her administrator responded by threatening to call the nursing board with complaints of misuse of narcotics.
17. On or about October 15, 2009, Respondent submitted to a forensic psychological examination administered by Dr. Rion Hart, Houston, Texas. As a supplement to Dr. Hart's examination, Respondent underwent a polygraph examination administered by Earl G. Sturrock, MS, LCC, Licensed Polygraph Examiner, Houston, Texas. The results of the polygraph yielded a finding of "deception indicated." Respondent did not complete a follow-up appointment with Dr. Hart, and he was unable to complete his examination.
18. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.
19. Formal Charges were filed on May 21, 2009.
20. Formal Charges were mailed to Respondent on May 26, 2009.

FOR THE STATE OF TEXAS

In the Matter of Permanent Certificate       §  
Number 550965 issued to                       §        AGREED ORDER  
DARLENE REBECCA ANGELE                     §

An investigation by the Board produced evidence indicating that DARLENE REBECCA ANGELE, hereinafter referred to as Respondent, may have violated Article 4525(b)(9), Revised Civil Statutes of Texas, as amended.

An informal conference was held on January 16, 1996, at the office of the Board of Nurse Examiners, in accordance with Article 4524C, Revised Civil Statutes of Texas, as amended.

Respondent appeared in person. Respondent was notified of her right to be represented by legal counsel and elected to waive representation by counsel. In attendance were Katherine A. Thomas, MN, RN, Executive Director; Roy Rawls, Assistant General Counsel; and Gary Walters, RN, Senior Investigator.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, notice, hearing, and consented to the entry of this order.
3. Respondent is currently licensed to practice professional nursing in Texas.
4. Respondent received Associate Degree in Nursing from Galveston College, Galveston, Texas in December 1988.

5. Respondent's professional employment included:

January 1989 - May 1989                      Staff Nurse  
Nacogdoches Memorial Hospital  
Nacogdoches, Texas

May 1989 - January 1990                      Staff Nurse/Telemetry  
St. Elizabeth Hospital  
Beaumont, Texas

January 1990 - August 1990                      House Supervisor  
Baptist Hospital  
Orange, Texas

September 1990 - present                      PRN Staff Nurse  
St. Elizabeth Hospital  
Beaumont, Texas

October 1991 - April 1992                      Staff Nurse  
Texas Home Health  
Silsbee, Texas

September 1992 - May 1993                      Staff Nurse  
In Home Medical Specialists  
Vidor, Texas

May 1993 - December 1993                      Staff Nurse  
Superior Home Health  
Beaumont, Texas

July 1995 - present                              Assistant Director of Nursing  
Superior Home Health  
Beaumont, Texas

6. At the time of the incident, Respondent was employed as a Staff Nurse in the Home Health Unit with Texas Home Health, Silsbee, Texas and had just applied for the position.

7. On or about September 24, 1991, while completing an "Application for Employment" for Texas Home Health, Inc., of Silsbee, Texas, Respondent provided information that was false or misleading by documenting that she had left employment at Baptist Hospital at Orange, Texas because she "did not like Administrative type job, felt I was losing my skills." Respondent had been "Discharged" from Baptist Hospital at Orange, Texas on September 4, 1990 for performance problems. Failing to disclose this information was

likely to deceive Texas Home Health, Inc. and may have affected their decision to hire the Respondent.

8. On or about September 15, 1993, Respondent submitted her documentation for renewal of her license to practice professional nursing. On the renewal application, Respondent indicated she had complied with the requirements for continuing education during the renewal period September 1, 1991 through September 30, 1993. An audit of Respondent's continuing education during the renewal period revealed she had not complied with the Board's requirements for continuing education, and had only attended 18.2 contact hours during the renewal period. This falsification of a renewal application was likely to deceive the Board and the public as to the nurse's continuing education level and level of competence to practice professional nursing.
