issued to BEVERLY ANN CRUMBLEY § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of BEVERLY ANN CRUMBLEY, Vocational Nurse License Number 71780, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on August 13, 2010, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

Although Respondent checked for bruising and swelling after hearing the audible pop, it was not until after notifying the patient's foster parent, who instructed her to call 911, that the patient was transferred to an acute care facility where an x-ray indicated that the patient had suffered a displaced fracture of his left femur. Respondent's conduct contributed to the patient suffering a fracture unnecessarily, and was likely to injure the patient from complication of the injury that she was unable to detect.

In response to the incident in Finding of Fact Number Seven (7), Respondent states that on the date of this incident she was performing her normal routine of care, and after transferring the patient from his wheelchair to his bed, she needed to reposition him to prepare him for his tube feeding.
