Executive Director of the Board

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse § AGREED
License Number 775632 and Vocational §
Nurse License Number 208039 §
issued to MARIA REJEKI HICKMAN § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of MARIA REJEKI HICKMAN, Registered Nurse License Number 775632 and Vocational Nurse License Number 208039, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on May 31, 2010, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas. Respondent's license to practice vocational nursing in the State of Texas is currently in "delinquent" status.
4. Respondent received a Certificate in Vocational Nursing from South Texas Community College, McAllen, Texas, on December 14, 2006, and received an Associate Degree in Nursing from South Texas Community College, McAllen, Texas, on August 6, 2009. Respondent was licensed to practice vocational nursing in the State of Texas on January 18, 2007, and was licensed to practice professional nursing in the State of Texas on September 22, 2009.

5. Respondent's nursing employment history includes:

01/2007 - 12/2007 Staff Nurse, LVN Mission Regional Medical Center
Mission, Texas

01/2008 - Present Unknown

6. At the time of the initial incident, Respondent was employed as a LVN Staff Nurse with Mission Regional Medical Center, Mission, Texas, and had been in this position for eleven (11) months.
7. On or about December 6, 2007, while employed as a LVN Staff Nurse with Mission Regional Medical Center, Mission, Texas, Respondent failed to verify the calculation of Normal Saline which was to be administered as a "now" dose at the rate of 10 ml/kg to Patient Medical Record Number 348066, who was a 13 pound (5.9 kg) infant. Consequently, Respondent initiated administration of 600ml Normal Saline, instead of the correct amount of 60ml, and 300ml Normal Saline was administered before the error was detected. The patient's condition deteriorated to the point that a transfer to a higher level care at another hospital was required. Respondent's conduct was likely to injure the patient in that the patient was unnecessarily exposed to fluid overload and associated complications.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent states that she had six (6) pediatric patients and that the Charge Nurse was helping her with her patients and calculated the dosage. Respondent admits that she failed to verify the calculation.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(B),(1)(C)&(1)(N).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 775632 and Vocational Nurse License Number 208039, heretofore issued to MARIA REJEKI HICKMAN, including revocation of Respondent's licenses to practice nursing in the State of Texas.
