BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Vocational Nurse § AGREED
License Number 122973 §
issued to JOYCE ELAINE PELS § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of JOYCE ELAINE PELS, Vocational Nurse License Number 122973, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on May 10, 2010, by Katherine A. Thomas, MN, RN, Executive Director.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from North Central Texas College, Gainesville, Texas, on August 14, 1987. Respondent was licensed to practice vocational nursing in the State of Texas on December 8, 1988.
5. Respondent's nursing employment history includes:

1988 - 1995	Licensed Vocational Nurse (LVN)	Denton State School Denton, Texas
-------------	---------------------------------	--------------------------------------

Respondent's nursing employment history continued:

1988 - 2001	LVN	Hilltop Haven Gunter, Texas
2000	LVN	Wilson N. Jones Hospital Sherman, Texas
2002 - 2004	LVN	Gainesville State School Gainesville, Texas
2005	LVN	Collinsville Care Center Collinsville, Texas
2006 - 2007	LVN	Care Inn of Sanger Sanger, Texas
2007	LVN	Whitesboro Health & Rehabilitation Center Whitesboro, Texas
2008 - Present	Unknown	

6. At the time of the initial incident, Respondent was employed as a Licensed Vocational Nurse with Care Inn of Sanger, Sanger, Texas, and had been in this position for one (1) year, four (4) months.
7. On or about October 4, 2007, while employed with Care Inn of Sanger, Sanger, Texas, Respondent neglected and/or contributed to the neglect of Resident B. Huggins (BH) when she requested that her blood sugar be checked. Respondent touched her arm and told her she wasn't sweating. Respondent's conduct delayed the onset of patient care which was required to prevent the development of clinical complications resulting from decreased blood sugar.
8. On or about October 4, 2007, while employed with Care Inn of Sanger, Sanger, Texas, Respondent inappropriately restrained Resident BH by grabbing her arms and holding them down. Respondent's conduct was likely to injure the Resident in that the use of excessive force to restrain the Resident put the Resident at risk for physical injury.
9. On or about October 4, 2007, while employed with Care Inn of Sanger, Sanger, Texas, Respondent inappropriately threatened to give Resident BH a shot and told the resident that she wasn't going to like it. Respondent's conduct was unprofessional in that it created an atmosphere in which the resident possibly felt unsafe.

10. In response to the incidents in Findings of Fact Numbers Seven (7) through Nine (9), Respondent states that she had given report to the oncoming nurse and was finishing a chart getting ready to leave when Resident BH came to the nurses' station stating that her blood sugar was low. Respondent states she touched her arm and told her that someone would check her blood sugar. The oncoming charge nurse appeared to be following up with Resident BH so Respondent continued charting so she would not have overtime. The next thing Respondent knew, Resident BH came running up the hallway, fists clenched, cursing, and very agitated. Respondent was concerned for the other residents' safety. Respondent first attempted to verbally redirect the Resident. Resident BH hit Respondent in the face around the left eye area. During this time, Respondent placed her arms around Resident BH securing her arms to body to prevent harm to herself or others. Several staff members arrived and started offering her milk. As she calmed down, Respondent released her arms, then removed herself from the situation. Respondent denies telling the Resident that she would give her a shot. The Resident has a history of drug seeking. The only thing Respondent can assume is that the Resident wanted a shot or thought Respondent had refused to give her a shot and became angry.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(B)&(1)(M) and 22 TEX. ADMIN. CODE §217.12(1)(A),(1)(B)&(4).
