9. On May 3, 2007, Respondent provided false and deceptive information on the renewal of her license to practice vocational nursing in the State of Texas in that she answered "no" to the following question:

Have you ever been convicted, placed on community supervision whether or not adjudicated guilty, sentenced to serve jail or prison time or granted pre-trial diversion, or plead guilty, no contest or nolo contendere to any crime in any state, territory or county, or received a court order whether or not a sentenced was imposed, including any pending criminal or unresolved arrests whether or not on appeal...?

On April 20, 2005, Respondent pled guilty and was convicted of DRIVING WHILE LICENSE INVALID (a misdemeanor B offense committed on January 7, 2005) in the County Court of Hill County. As a result of the conviction, Respondent was sentenced to three (3) days in the County Jail and ordered to pay a fine.

On July 25, 2007, Respondent was convicted of DRIVING WHILE LICENSE INVALID (a misdemeanor offense committed on November 28, 2006) in the McLennan County Court. As a result of the conviction, Respondent was sentenced to ninety (90) days confinement in the County Jail and placed on community supervision for twelve (12) months.

Respondent's conduct was deceiving and may have affected the Board's decision to license her.

10. At the time of the incident in Finding of Fact Number Eleven (11), Respondent was employed as a LVN with Healthcrest Baptist Medical Center, Waco, Texas and had been in this position for ten (10) months.
11. On or about December 18, 2007 through December 19, 2007, while employed with Hillcrest Baptist Medical Center, Waco, Texas, Respondent failed to give report to the on-coming shift about a newly admitted patient. Respondent's conduct deprived subsequent caregivers of essential information on which to base ongoing medical care.
12. On or about December 18, 2007 through December 19, 2007, while employed with Hillcrest Baptist Medical Center, Waco, Texas, Respondent failed to timely document her nursing care in the medical records of six (6) patients assigned to her care. Respondent left her nursing assignment without documenting assessments, interventions or treatments provided to her assigned patients and then returned approximately eight (8) to ten (10) hours later to document her nursing care in the patients' medical records. Additionally, Respondent failed to designate this documentation as "late entries". Respondent's conduct was deceiving and deprived subsequent caregivers of essential information to base on going medical care.
13. In response to Findings of Fact Numbers Eleven (11) and Twelve (12), Respondent denies that she jeopardized the safety of her patients or that she was deceitful in her documentation by not indicating these as late entries. Respondent asserts that the system always "time marked" these entries when they were input, which would indicate "late entry." Respondent reports that the act of not documenting prior to giving report was a common act at the facility. Furthermore, the documentation was done within a 24-hour window. Respondent states that the person receiving the new patient was not an on-coming nurse, but had been on the shift and was made aware that she was to pick up the patient. Additionally, this nurse was given information regarding the patient by the supervisor prior to the beginning of the next shift.
14. On or about May 27, 2009, Respondent defaulted on her Texas Guaranteed Student Loan, as provided in Section 57.491 of the Texas Education Code. Respondent exhibited unprofessional conduct in her failure to repay a Texas Guaranteed Student Loan, which may have deprived other students of funds necessary for their educational programs.

15. In response to Finding of Fact Number Fourteen (14), Respondent states that she made arrangements several months ago to establish a repayment plan and since, timely monthly payments have been made.
16. Formal charges were filed and mailed to Respondent on March 10, 2010.
17. On April 27, 2010, the Board received correspondence from the Texas Guaranteed Student Loan Corporation verifying that Respondent was current in repayment of her loan.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
