

Katherine A. Thomas
Executive Director of the Board

I do hereby certify this to be a complete, accurate, and true copy of the document which is on file or is of record in the offices of the Texas Board of Nursing.

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse § AGREED
License Number 255796 §
issued to CHARLOTTE ANN SMITH § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board considered the matter of CHARLOTTE ANN SMITH, Registered Nurse License Number 25579 hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on June 13, 2010, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received a Baccalaureate Degree in Nursing from Baylor University, Dallas, Texas, on May 1, 1981. Respondent was licensed to practice professional nursing in the State of Texas on September 8, 1981.
5. Respondent's professional nursing employment history includes:

9/81 - 12/84

Charge Nurse
Surgical Unit

St. Joseph Hospital
Denver, Colorado

Respondent's professional nursing employment history continued:

1/85 - 4/86	Staff Nurse Medical/Surgical	St. Joseph Hospital Ft. Worth, Texas
5/86 - 8/86	Unknown	
9/86 - 7/90	House Supervisor	Cuero Community Hospital Cuero, Texas
8/90 - 7/02	Public Health Volunteer	International Mission Board Vera Cruz, Mexico
10/91 - 4/01	Staff Nurse Day Surgery	Scott and White Hospital Temple, Texas
9/00 - 5/01	School Nurse	Temple Independent School District Temple, Texas
8/02 - Present	School Nurse	La Feria Independent School District La Feria, Texas

6. At the time of the initial incident in Finding of Fact Number Seven (7), Respondent was employed as a School Nurse with La Feria Independent School District (ISD), La Feria, Texas, and had been in this position for five (5) years and four (4) months.
7. On or about December 17, 2007, through January 9, 2008, while employed as the School Nurse with La Feria ISD, La Feria, Texas, Respondent administered 0.1 mg Clonidine, an antihypertensive medication, to Student XB in excess frequency of the physician's order on eight (8) occasions. Respondent inadvertently changed the times of the administration from 12 p.m. and 3 p.m. to 10 a.m. and 1 p.m. in the medical record of Student XB, instead of in the medical record of his brother, Student MB. Furthermore, on January 9, 2008, Respondent administered a repeated dose of Clonidine 0.1 mg to Student XB at 1:55 p.m. when the dose had previously been administered by another staff member at 1:41 p.m. Respondent's conduct was likely to injure the student in that administration of Clonidine in excess frequency of the physician's order could result in the student experiencing adverse reactions, including, but not limited to, bradycardia, orthostatic hypotension and severe rebound hypertension.
8. On or about January 9, 2008, while employed as the School Nurse with La Feria ISD, La Feria, Texas, Respondent incorrectly documented the time changes for the administration of 0.1 mg Clonidine in the medical record of Student XB, instead of in the medical record of his brother, Student MB. As a result, the student received the medication two (2) hours early. Respondent's conduct resulted in an inaccurate medical record and was likely to injure the student in that subsequent care givers would rely on her documentation to provide further care to the student.

9. In response to the incidents in Findings of Fact Numbers Seven (7) and Eight (8), Respondent admits to the allegations adding that she was practicing under situations where she should have asked for help. Respondent explains that the clinic activity was very heavy for just one person, and Respondent goes on to explain that she has made some changes in the way she receives and treats students in the clinic. Respondent explains that, when at all possible, there is only one student in the clinic at a time and the rest are waiting in the office area. When Respondent is on the phone, documenting or giving medications, she states that the students are not in the same area.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§217.11(1)(A),(1)(B),(1)(C)&(1)(D) and 217.12(1)(A),(1)(B)&(4).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 255796, heretofore issued to CHARLOTTE ANN SMITH, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
