FOR THE STATE OF TEXAS

In the Matter of
ANGELA ESMERALDA AMAYA
PETITIONER for Eligibility for
Licensure

§
§
§
§

ORDER OF
CONDITIONAL ELIGIBILITY

On the date entered below, the Board of Nurse Examiners for the State of Texas, hereinafter referred to as the Board, considered the Petition for Declaratory Order and supporting documents filed by ANGELA ESMERALDA AMAYA, hereinafter referred to as PETITIONER, together with any documents and information gathered by staff and PETITIONER's Certificate contained herein. Information received by the Board produced evidence that PETITIONER may have violated Section 301.452 *et seq.*, Texas Occupations Code.

PETITIONER waived representation by counsel, notice and hearing, and agreed to the entry of this Order offered on February 27, 2006, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. On or about October 14, 2005, Petitioner submitted a Petition for Declaratory Order requesting a determination of eligibility for licensure in compliance with Section 301.257 *et seq.*, Texas Occupations Code.
2. Petitioner waived representation, notice, administrative hearing, and judicial review.
3. Petitioner is not currently enrolled in a nursing program.
4. Petitioner completed the Petition for Declaratory Order and answered "yes" to Question Number Two (2), which reads as follows: *"Have you ever been convicted, adjudged guilty by a court, pled guilty, no contest or nolo contendere to any crime in any state, territory or country, whether or not a sentence was imposed, including any pending criminal charges or unresolved arrest (excluding minor traffic violations)? This includes expunged offenses and deferred adjudications with or without prejudice of guilt. Please note that DUI's, DWI's,*

PI's must be reported and are not considered minor traffic violations. (One time minor in possession [MIP] or minor in consumption [MIC] do not need to be disclosed, therefore, you may answer "No." If you have two or more MIP's or MIC's, you must answer "Yes.")

5. Petitioner disclosed the following criminal history, to wit:

On March 27, 2002, Petitioner was charged with the state jail felony offense of Pyramid Promotional Scheme in the 389th District Court of Hidalgo County, Texas. Petitioner plead Guilty and proceedings were deferred without adjudication of guilt. Petitioner was placed on community supervision for two (2) years and assessed a fine and court costs in the amount of five hundred twenty-seven dollars (\$527.00). Petitioner was required to pay restitution in the amount of one thousand two hundred fifty dollars (\$1250.00).

6. There is no evidence of any subsequent criminal conduct.

7. On December 20, 2004, Petitioner was requested to undergo a Forensic Psychological Evaluation and Polygraph Exam. On January 21, 2006, Petitioner presented to Troy Martinez, Psy.D., Corpus Christi, Texas, to undergo evaluation. The results of the evaluation indicate that Petitioner has no evidence of clinically significant mood disturbance, personality dysfunction, substance use problems, or more severe forms of psychopathology. Petitioner can be viewed as a warm, caring, mature and responsible individual capable of forming deep and meaningful relationships with others. Indeed, her dedication and commitment to help those less fortunate is well documented. Dr. Martinez states this positive, desirable, if not naive quality, along with Petitioner's own family's hardship years ago contributing to her well intentioned and unwitting brief participation in an organization later discovered to be involved in an illegal pyramid scheme. Likewise, the polygraph results indicate no deception specific to relevant questions. Dr. Martinez states that after reviewing the Board rules in detail, he finds that Petitioner is capable of conducting herself in accordance with the requirements of Rules 213.27-213.29 at 22 TAC. Petitioner is capable of consistently behaving in accordance with the minimal standards set by the Board's Rules 217.11 at 22 TAC and that Petitioner would be able to consistently behave in accordance with generally accepted nursing standards. Dr. Martinez feels that Petitioner could consistently be able to avoid behaviors identified as constituting unprofessional misconduct.

8. The Board received letters of support/recommendation for Petitioner from the following:

- A letter dated July 1, 2005, was submitted to the Board on behalf of Petitioner by Eloy Lugo, C.S.O. 235, Hidalgo County Community Supervision and Corrections Department. The letter states that Petitioner successfully completed all conditions of probation while under community supervision and a court order was signed granting Petitioner successful termination of probation.
- A letter of recommendation dated July 13, 2005, was submitted to the Board on

behalf of Petitioner by Richard Wecker, RN, House Supervisor, McAllen Medical Center, McAllen, Texas.

- A letter of recommendation dated August 4, 2005, was submitted to the Board on behalf of Petitioner by Archer Crosley, M.D., McAllen, Texas.
 - A letter of recommendation was submitted to the Board on behalf of Petitioner by Len Frazier, Director, Brown Bag Food Program, St. John's Episcopal Church, McAllen, Texas.
9. Licensure of Petitioner poses no direct threat to the health and safety of patients or the public, provided that Petitioner complies with the stipulations outlined in this Order.
 10. The Executive Director's review of the grounds for potential ineligibility has been made on the basis of the information provided by Petitioner.
 11. Petitioner has sworn that her past behavior conforms to the Board's professional character requirements. Petitioner presented no evidence of behavior which is inconsistent with good professional character.
 12. Petitioner has been advised that any information found to be incomplete, incorrect, or misleading will be considered and may result in an ultimate determination of ineligibility or the later revocation of a license obtained through misrepresentation.
 13. On or about February 27, 2006, the Executive Director considered evidence of Petitioner's past behavior in light of the character factors set out in 22 Texas Administrative Code §213.27 and determined that Petitioner currently demonstrates the criteria required for good professional character.

CONCLUSIONS OF LAW

1. The Board of Nurse Examiners has jurisdiction over this matter pursuant to Section 301.453, Texas Occupations Code.
2. Petitioner has submitted a petition in compliance with Section 301.257 *et seq.*, Texas Occupations Code.
3. Petitioner's criminal history reflects criminal conduct which is grounds for denial of a license under Section 301.452 *et seq.*, Texas Occupations Code.
4. Petitioner shall immediately notify the Board of any fact or event that could constitute a ground of ineligibility for licensure under Section 301.452, Texas Occupations Code.
5. The Board may license an individual who has been previously convicted, adjudged guilty by a court, pled guilty or pled nolo contendere to any crime whether or not a sentence was

imposed upon consideration of the factors set out in 22 Texas Administrative Code §213.28 and evaluating the direct relationship to nursing according to Chapter 53, Section 53.001 *et seq.*, Texas Occupations Code.

6. The Board may license an individual with prior behaviors inconsistent with the Board's character requirements if, upon evaluation of the factors in 22 Texas Administrative Code §213.27, the Board is satisfied that the individual is able to consistently conform her conduct to the requirements of the Nursing Practice Act, the Board's Rules and Regulations, and generally accepted standards of nursing practice.
