RE: License #539647

Dear Sirs;

Because there were no specific instructions on your website on how to Voluntarily Surrender my nursing license, I have typed this submission and had it notarized.

In addition, the email link at your site did not have a "submit" button so I was not able to ask for specific directions in writing. Your phone number stayed busy.

With these things in mind, please accept this letter as formal submission of my intent to Voluntarily Surrender my nursing license to the Texas Board of Nursing.

I have served my patients well for 23 years but now I am done. I am not licensed in any other state. I am not currently employed as a Nurse and have no intention of ever being employed as a nurse again.

Sincerely,

Merrye Lynn Peregrino
