

BEFORE THE TEXAS BOARD OF NURSING

I do hereby certify this to be a complete, accurate, and true copy of the document which is on file or is of record in the offices of the Texas Board of Nursing.
Katherine A. Thomas
Executive Director of the Board

In the Matter of Registered Nurse § AGREED
License Number 760987 §
issued to THOMAS CARVELLE COATS § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Bo considered the matter of THOMAS CARVELLE COATS, Registered Nurse License Num 760987, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order offered on March 23, 2010, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received a Baccalaureate Degree in Nursing from Southwestern College, Winfield, Kansas, on May 19, 1991. Respondent was licensed to practice professional nursing in the State of Texas on September 19, 2008.
5. Respondent's nursing employment history includes:

6/1991 - 4/1993 Unknown

Respondent's nursing employment history continued:

5/1993 - 8/2008 Staff Nurse The Department of Veterans Affairs
Audie L. Murphy Memorial Veterans
Hospital Division
San Antonio, Texas

9/2008 - present Unknown

6. At the time of the incident in Finding of Fact Number Seven (7), Respondent was employed as a Staff Nurse with The Department of Veterans Affairs, South Texas Veterans Health Care System, Audie L. Murphy Memorial Veterans Hospital Division, San Antonio, Texas, and had been in this position for fifteen (15) years and two (2) months.
7. On or about July 20, 2008, while employed as a Staff Nurse with The Department of Veterans Affairs, South Texas Veterans Health Care System, Audie L. Murphy Memorial Veterans Hospital Division, San Antonio, Texas, Respondent administered Versed 3mg intravenously to Patient R5669 without a physician's order. Subsequently, the patient experienced a decreased blood pressure requiring medical intervention by the physician to stabilize the patient's condition. Respondent's conduct was likely to cause injury to the patient from adverse reactions to medication administered without the benefit of a physician's expertise.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent states he administered Versed 3mg intravenously, a medication prescribed for another patient, without a physician's written order. However, Respondent asserts that the physician indicated he was willing to prescribe Versed for the patient, but failed to actually write an order. Respondent states he administered the Versed believing he had a verbal order from the physician. Respondent also states he has been an Insulin Dependent Diabetic for many years and his glucose reading at the time of the incident was 60mg/dl, possibly as a result of working in the stressful Surgical Intensive Care Unit environment, which could explain his lack of judgement in giving one patient's medication to another.

2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§217.11(1)(B)&(1)(C) and 217.12(1)(B)&(4).
