BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Vocational Nurse §
License Number 190907 § AGREED
issued to CODY PAUL PERRY § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of CODY PAUL PERRY, Vocational Nurse License Number 190907, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(9),(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on November 21, 2008, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Vernon Regional Junior College, Vernon, Texas, on August 1, 2003. Respondent was licensed to practice vocational nursing in the State of Texas on October 7, 2003.
5. Respondent's vocational nursing employment history includes:

10/03 - 05/04	LVN	Covenant Medical Center Lubbock, Texas
---------------	-----	---

Respondent's vocational nursing employment history continued:

07/04 - 08/04	LVN	Southern Specialty Lubbock, Texas
09/04 - 10/06	LVN	Texas Cardiac Center Lubbock, Texas
11/06 - 03/07	LVN	Lakeside Rehab. Nursing Center Lubbock, Texas
03/2/07 - 03/15/07	LVN	Crosbyton Rehab. & Care Crosbyton, Texas
04/07 - present	Unknown	

6. At the time of the initial incident, Respondent was employed as a licensed vocational nurse with Covenant Health System, Lubbock, Texas, and had been in this position for ten (10) months.
7. On or about May 16, 2004 to May 18, 2004, while employed with Covenant Health System, Lubbock, Texas, Respondent withdrew hydrocodone and morphine from the medication dispensing system for patients, but failed to completely and accurately document its administration in the patients' medication administration records and/or nurses notes; and failed to follow the facility's policy and procedure for wastage of the unused portions of the medications. Respondent's conduct was likely to injure the patients in that subsequent care givers would rely on his documentation to further medicate the patients which could result in an overdose and place the hospital in violation of Chapter 481 of the Texas Health and Safety Code (Controlled Substances Act).
8. On or about May 16, 2004 to May 18, 2004, while employed with Covenant Health System, Lubbock, Texas, Respondent misappropriated, or failed to take precautions to prevent such misappropriation of hydrocodone, morphine and propoxyphene from the facility and patients thereof. Respondent's conduct was likely to defraud the facility and the patient of the cost of the medication.
9. On or about May 19, 2004, while employed with Covenant Health System, Lubbock, Texas, Respondent engaged in the intemperate use of propoxyphene in that he produced a specimen for a reasonable suspicion urine drug screen which resulted positive for propoxyphene. Possession of propoxyphene is prohibited by Chapter 481 of the Texas Health & Safety Code (Controlled Substances Act). The use of propoxyphene by a Licensed Vocational Nurse, while subject to call or duty, could impair the nurse's ability to recognize subtle signs, symptoms or changes in the patient's condition, and could impair the nurse's ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patient in potential danger.

10. On or about August 4, 2004, while employed with Southern Specialty Rehabilitation and Nursing Center, Lubbock, Texas, Respondent misappropriated, or failed to take precautions to prevent such misappropriation of, Ultram belonging to the facility and patients thereof. Respondent's conduct was likely to defraud the facility and the patient of the cost of the medication.
11. On or about August 4, 2004, while employed with Southern Specialty Rehabilitation and Nursing Center, Lubbock, Texas, Respondent engaged in the intemperate use of Ultram in that he submitted a specimen for a random urine drug screen which resulted positive for Ultram. Possession of tramadol is prohibited by Chapter 483 of the Texas Health & Safety Code (Dangerous Drugs Act). The use of tramadol by a Licensed Vocational Nurse, while subject to call or duty, could impair the nurse's ability to recognize subtle signs, symptoms or changes in the patient's condition, and could impair the nurse's ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patient in potential danger.
12. In Response to Finding of Fact Numbers Seven (7) to Eleven (11), Respondent states:

"First of all let me say that I am a recovering addict. I have enjoyed 3 years of recovery from the horrors of my addiction. That is to say I have been drug free (ie alcohol) for 3 yrs. Also, thanks to the TPAPN program for showing me the way to recovery. I did participate in the TPAPN program for almost 3 years and was about to 'graduate' when someone from the collection site I used for my drug test thought I maliciously urinated on the floor and walls of their restroom when providing a sample. I assure you that this is not how I behave, nor do I condone such petty and childish behavior.

My recovery is as strong as it has ever been. I regularly attend meetings of well established 12 step program. The only people I associate with are people who are in recovery. Also, I stay in close contact with a vast support system who share their experience, strength, and hope with me. My number one goal on a daily basis is to stay drug free."
13. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(9),(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§217.11(1),(3)&(4) and 217.12(4),(18),(19)&(20).

4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 190907, heretofore issued to CODY PAUL PERRY, including revocation of Respondent's license to practice vocational nursing in the State of Texas.
