BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Vocational Nurse § AGREED
License Number 191680 §
issued to JOHN WILLIAM LEWIS § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of JOHN WILLIAM LEWIS, Vocational Nurse License Number 191680, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on January 29, 2010, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Panola Junior College, Carthage, Texas, on August 15, 2003. Respondent was licensed to practice vocational nursing in the State of Texas on November 12, 2003.
5. Respondent's vocational nursing employment history includes:

8/2003-9/2005	Unknown
---------------	---------

Respondent's vocational nursing employment history continued:

10/2005-12/2006	LVN Charge Nurse	Pinehurst Alzheimer's Center Tyler, Texas
1/2007-5/2007	LVN Field Nurse	Texas Home Health Tyler, Texas
6/2007-7/2007	LVN Field Nurse	Omega Home Health Tyler, Texas
8/2007-Present	Unknown	

6. At the time of the initial incident, Respondent was employed as a LVN Field Nurse with Omega Home Health, Tyler, Texas, and had been in this position for two (2) weeks.
7. On or about June 21, 2007, through June 22, 2007, while employed as a LVN Field Nurse with Omega Home Health, Tyler, Texas, Respondent failed to obtain PT/INR (Pro-Time/International Normalized Ratio) test results for Patient Number 46315693201 and Patient Number 44932564001, as ordered by the physician. Instead, Respondent falsely documented test results in the patient's medical records, which was determined when it was found that the memory from the finger stick INR machine, used by the Respondent, had no test results completed for the patients on the dates specified. Respondent's conduct resulted in inaccurate medical records, was likely to injure patients from bleeding due to non-therapeutic PT/INR levels, and was likely to deceive other care givers who needed accurate information on which to base their care.
8. On or about July 2, 2007, while employed as a LVN Field Nurse with Omega Home Health, Tyler, Texas, Respondent falsely reported PT/INR lab results, verbally, to the Director of Nursing regarding the aforementioned Patient Numbers 46315693201 and 44932564001. The Director of Nursing, unaware that the lab results were fictitious, submitted the incorrect medical information to the patients' physicians, who had requested the lab results. When the report from the finger stick INR machine indicated that no PT/INRs were performed on the date specified for Patient Number 46315693201 and Patient Number 44932564001, the Director contacted the physician and made him aware of the error. Respondent's conduct was deceptive and was likely to injure the patients from decisions made by the physician regarding the patients' medical care that would have been based on inaccurate information.
9. In response to the incidents in Findings of Fact Numbers Seven (7) and Eight (8), Respondent states that he did obtain the PT/INRs and called the results to the physician's office, as ordered, and so when he documented and/or reported them to the Director of Nursing, the results were accurate.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§217.11(1)(A),(1)(C),(1)(D)&(2)(A) and 217.12(1)(A),(1)(B),(1)(C),(6)(A)&(6)(H).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 191680, heretofore issued to JOHN WILLIAM LEWIS, including revocation of Respondent's license to practice vocational nursing in the State of Texas.
