BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Vocational Nurse § AGREED
License Number 213888 §
issued to OKARONKE GLORIA ADELEKE § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of OKARONKE GLORIA ADELEKE, Vocational Nurse License Number 213888, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on March 5, 2010, by Katherine A. Thomas, MN, RN, Executive Director.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from the Computer Career Center, El Paso, Texas, on December 3, 2007. Respondent was licensed to practice vocational nursing in the State of Texas on January 15, 2008.
5. Respondent's complete vocational nursing employment history is unknown.
6. At the time of the initial incident described in Finding of Fact Number Seven (7), Respondent was employed as a Vocational Nurse associated with her Multistate Licensure Compact Privilege with Life Care Center of North Glendale, Glendale, Arizona, and had been in this position for ten (10) months.

7. On or about December 27, 2008, while employed as a vocational nurse with Life Care Center of North Glendale, Glendale, Arizona, Respondent failed to administer pain medication as ordered by the physician in that Respondent was unable to recognize Dilaudid as a pain medication listed on the Physician's Orders and failed to respond to a patient's request for pain medication. In addition, Respondent failed to notify the supervisor or the physician of the patient's pain. Respondent's conduct exposed the patient unnecessarily to a risk of harm from a delay of treatment of her disease process and was likely to deceive other caregivers who needed complete information on which to base their care.
8. In response to Finding of Fact Number Seven (7), Respondent admits to "overlooking" the Dilaudid in the patient's MAR and states she became sidetracked with another patient and failed to notify the physician.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§217.11(1)(C),(D)&(M) and 217.12(1)(A),(B)&(4).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 213888, heretofore issued to OKARONKE GLORIA ADELEKE, including revocation of Respondent's license to practice vocational nursing in the State of Texas.
