In the Matter of Registered Nurse           §       AGREED  
License Number 539984                       §  
issued to TERESA MARIA CORSER           §       ORDER

An investigation by the Texas Board of Nursing, hereinafter referred to as the Board, produced evidence indicating that TERESA MARIA CORSER, Registered Nurse License Number 539984, hereinafter referred to as Respondent, may have violated Section 301.452(b)(13), Texas Occupations Code.

An informal conference was held on April 13, 2010, at the office of the Texas Board of Nursing, in accordance with Section 301.464, Texas Occupations Code.

Respondent appeared in person. Respondent was notified of her right to be represented by legal counsel and elected to waive representation by counsel. In attendance were Mary Beth Thomas, PhD, RN, Director of Nursing, Executive Director's Designee; Jena Abel, JD, Assistant General Counsel; Bonnie Cone, MSN, RN, Nurse Consultant; Anthony L. Diggs, MSCJ, Director, Enforcement Division; Mike Abul-Saud, RN, Investigator; Tamika Rose, Investigator; and Dominique Mackey, Investigator.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.

4. Respondent received a Baccalaureate Degree in Nursing from The University of Texas, Austin, Texas, on May 1, 1987. Respondent was licensed to practice professional nursing in the State of Texas on August 24, 1987.

5. Respondent's professional nursing employment history includes:

July 1987-February 1990	Clinical Nurse III Baylor University Medical Center Dallas, Texas
February 1990-April 1991	Nurse Supervisor Baylor University Medical Center Dallas, Texas
April 1991-April 1995	Per Diem Staff Nurse Baylor University Medical Center Dallas, Texas

6. At the time of the incident in Finding of Fact Number Seven (7), Respondent was employed as a Registered Nurse with North Central Baptist Hospital, San Antonio, Texas, and had been in this position for ten (10) months.
7. On or about October 8, 2007, while employed with North Central Baptist Hospital, San Antonio, Texas, Respondent inappropriately obtained an order to administer Total Parenteral Nutrition (TPN) to Patient Number 3611747 from the patient's attending physician, instead of obtaining the order from the gastroenterologist who had ordered the prior two (2) doses and who was monitoring the patient's electrolyte and other lab values. The TPN was obtained from the pharmacy and administered at 02:30 on October 9, 2007, and at 08:00, Respondent added "TPN for 10/8/07 same as ordered for 10/7/07" to the orders being provided at that time by the gastroenterologist. However, the gastroenterologist marked through the order and wrote, "NO! Nurse ordered w-out my consent!" Respondent's conduct may have compromised and/or complicated the gastroenterologist's medical plan of care for the patient.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent states that the attending physician was present when she noted that the patient did not have a bag of TPN for what she believed should have been the patient's next scheduled dose, so she asked the attending about continuing the TPN based on the most previous order. According to Respondent, the attending physician concurred and another bag of TPN was ordered from the pharmacy. Respondent contends that the next morning, the gastroenterologist was upset because he had not been consulted before the TPN was administered.
