Executive Director of the Board

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse § AGREED
License Number 540823 §
issued to LESLIE D. LITTLE § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of LESLIE D. LITTLE, Registered Nurse License Number 540823, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on March 28, 2010, by Katherine A. Thomas, MN, RN, Executive Director.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from Midwestern State University, Wichita Falls, Texas, on May 1, 1987. Respondent was licensed to practice professional nursing in the State of Texas on August 24, 1987.
5. Respondent's professional nursing employment history includes:

05/1987 - 03/1993	Nurse Manager	North Texas State Hospital Wichita Falls, Texas
-------------------	---------------	--

Respondent's professional nursing employment history continued:

02/1992 - Unknown	RN Part-time	High Plains Health Providers Wichita Falls, Texas
03/1993 - 04/1996	Nurse Manager	Red River Hospital Wichita Falls, Texas
04/1996 - 03/2009	RN/ Nurse Manager	North Texas State Hospital (NTSH) Wichita Falls, Texas
03/2009 - Present	Unknown	

6. At the time of the initial incident, Respondent was employed as a Nurse Manager with North Texas State Hospital, Wichita Falls Campus, Wichita Falls, Texas, and had been in this position for approximately four (4) years.
7. On or about April 2005 through May 2008, while employed as a Registered Nurse at North Texas State Hospital, Wichita Falls, Texas, Respondent misrepresented to the staff at the hospital that she had a current Psychiatric Certification through the ANCC. Additionally, Respondent reflected that she maintained a Psychiatric Certification in her signatory title of "RNC." Furthermore, on or about May 5, 2008, Respondent stated that her psychiatric certification had expired in 1998; however, even though she made this statement, she continued to use the signatory term "RNC" in a patient record. Respondent's conduct deceived her employer and patients in that they believed Respondent's credentials were current and accurate.
8. In response to Finding of Fact Number Seven (7), Respondent states she unfortunately forgot to renew and was not asked to provide documentation until several years later. Respondent states that when asked, she told her employer that she would produce proof of certification, thinking that all she had to do was pay a re-certification fee to bring her standing current since she met all other requirements for certification. Respondent states when she found that she must retest, she states she informed her supervisor. Respondent states she did not continually maintain the Psych Certification in her signatory titles as the complaint suggests, but did maintain her title as RN. Respondent says she was told that she used the RNC on a document in a chart on April 30, 2008, but was not aware of this one incident and regrets that any error may have occurred. Respondent states she never had any intention of misrepresenting her Psych Certification as it was and is not a job requirement, but merely an educational enhancement. Respondent states she did fail to re-certify her psychiatric certification, but did not fraudulently represent this to her employer.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555 , the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(10), Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.12(6)(H)&(I).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 540823, heretofore issued to LESLIE D. LITTLE, including revocation of Respondent's license to practice professional nursing in the State of Texas.
