7. In response to Finding of Fact Number Six (6), Respondent states: My wife and I were separated on October 24, 2008. Later this same day, my now ex-wife stole my recently deceased mother's car, her life insurance paperwork, and my checkbook and debit card from Greenville (Hunt County) and took them to Brashear (Hopkins County). I went to Brashear to get these things back, but she refused to return them. I grabbed her shoulder and threatened her for stealing my mother's things and my things. She then said she would return the items to me, but wanted me to wait outside the house. Once I was outside, she again refused to return the stolen items and called the police claiming that I had choked her. I was going towards the backyard when the police showed up. They said that they were there to arrest me and when I got to the front yard, I was placed in handcuffs.

9. In response to Finding of Fact Number Eight (8), Respondent states: In regard to my DWI 2nd, I plead guilty because I was indeed guilty. The only family I had, my mother, had recently passed away. I was not working at the time, and I was on an emotional roller coaster, but I should not have driven after I'd been drinking alcohol. I reacted wrongly to a bad situation. I am no longer drinking and am going to AA regularly.

11. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.
12. Respondent's conduct described in Finding of Fact Number Eight (8) resulted from Respondent's impairment by dependency on alcohol.
13. Respondent's compliance with the terms of a Board approved peer assistance program should be sufficient to protect patients and the public.
