Dear Mr. Freemyer:

I have enclosed the signed and notarized voluntary surrender that we discussed. I would like to take this time to tell you thank you for all your assistance with this matter. This whole process has been very difficult for me, but with your assistance the process was somewhat easier. You treated me with respect, furthermore you were kind and took the time to answer all my questions. For that I am grateful.

I have one last request for you. When you send me the final order and the information of the UA's could you please send me a copy of the rules and regulations expected of me for reinstatement. I try to find them online but was unable to find a specific set of requirements. This will help me to know exactly what is needed for my reinstatement, so I can spend the next year taking the right steps required by the board.

Thank you again for all your assistance.

Sincerely,

## INSTRUCTIONS FOR BON URINE DRUG SCREEN COLLECTION

1. As a result of the proposed Order of the Board being offered by the Texas Board of Nursing (BON), you will be required to submit to periodic random drug screens **during employment as a registered/vocational nurse**. The BON has contracted with FirstLab Professional Health Monitoring (PHM) testing program and you will be submitting random urine specimens through this program. No other drug screens will be accepted toward meeting your Board-ordered requirements unless pre-authorized by your monitoring investigator/program analyst.
2. Enrollment in FirstLab is required before testing can begin. In order to confirm that you are aware of the BON policy for drug screening and the process, you are asked to sign this form and return it to the Board. Once you are employed as a nurse, and your Notification of Employment form has been received by the Board **you have two (2) weeks to submit your registration information to FirstLab's website at [www.firstlab.com](http://www.firstlab.com)**. If access to a computer is a problem, you may contact FirstLab at 1-800-732-3784.
3. Credit or Debit cards are required to be kept on file for testing fees.
4. FirstLab contracts with LabCorp collection sites throughout the state of Texas. You will be receiving Chain of Custody Forms (CCF) from LabCorp at no cost to you once you are enrolled in the FirstLab System. When your supply gets low (less than 3) please order more from the FirstLab online system and the lab will send you a supply. All collection fees are to be paid at the time of collection if you are not using a LabCorp Patient Service Center (PSC). FirstLab will NOT pay any of these fees. Pricing for all of urine drug test panels is **\$43.00**.
5. **You will be required to login to the FirstLab website or call every day to verify if you have been chosen to provide a specimen for screening. Failure to login or call every day could result in further action taken by the Board.** If you are planning to travel out of state, you must contact the Board's office in advance to make arrangements for drug screening; you may be required to submit to a random drug screen even during your time out of town or on vacation.
6. If, due to an emergency, you are unable to report to the collection site on the day you are requested to provide a urine specimen, or if you do not have the proper chain of custody form, you must immediately contact the Monitoring Investigator at the Board's office at (512) 305-6838. **Failure to report for a drug screen may be considered the same as a positive result and may result in further disciplinary action being taken against your license to practice registered/vocational nursing in the state of Texas for your failure to comply with the Order of the Board.**
7. If your specimen tests positive, you may have your results reviewed by a Medical Review Officer (MRO) for an additional fee. In addition, you must notify the Monitoring Investigator prior to making the request, so that it may be approved with FirstLab. (During this time period, the result will be treated as a positive result until proven otherwise).
8. While you are being monitored by the Board, your employer or a representative from the Texas Board of Nursing may require you to submit to a random drug screen at any time.

**I have read and understood the requirements of the Board's random drug screening requirements. I agree to comply with the Board's drug screening requirements, should the proposed Order of the Board become effective. I understand a Board representative may appear at my place of employment at any time during my monitoring term in order to gather a specimen for random drug screening.**
