BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Vocational Nurse § AGREED
License Number 56731 §
issued to JOAN YAITES RISCHER § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Bo considered the matter of JOAN YAITES RISCHER, Vocational Nurse License Number 56731, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on February 15, 2010, by Katherine A. Thomas, MN, RN, Executive Director.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from St. Joseph's Hospital School of Vocational Nursing, Fort Worth, Texas on July 31, 1972. Respondent was licensed to practice vocational nursing in the State of Texas on July 19, 1973.
5. Respondent's complete nursing employment history is unknown.
6. On or about February 4, 2007, while employed with Immanuel's Healthcare, Fort Worth, Texas, Respondent administered Ativan, a sedative medication, to Resident MS, without a current physician order. The resident had a history of seizure activity and had, in the past, had a physician's order for Ativan. Although the order for Ativan had been discontinued

from the physician's orders, the medication remained on the medication cart. Respondent's conduct exposed the resident to a risk of harm from over sedation.

7. On or about February 4, 2007, while employed with Immanuel's Healthcare, Fort Worth, Texas, Respondent failed to adequately assess Resident MS when this resident, who had a history of seizure activity, suffered a seizure lasting less than one (1) minute, and Respondent failed to intervene appropriately for the resident when she failed to notify the resident's physician of the seizure activity. Respondent's conduct was likely to injure the patient from non-efficacious care.
8. In response to the incident in Findings of Fact Numbers Six (6) and Seven (7), Respondent states that the resident had the month before had an order for Ativan 1mg PRN seizure activity, but the order was not on the current physician order sheet. Related to not notifying the physician of the seizure activity, Respondent states she wasn't aware that she needed to notify the physician of a seizure that lasted less than one (1) minute. Respondent states that the resident was admitted with a seizure diagnosis and, if the seizure had lasted longer, she would have notified the physician.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§217.11(1)(A),(1)(C),(1)(D), (1)(M)&(2)(A) and 217.12(1)(A)&(4).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 56731, heretofore issued to JOAN YAITES RISCHER, including revocation of Respondent's license to practice vocational nursing in the State of Texas.
