On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of JANICE KURTZ LOWMAN, f.k.a. JANICE KURTZ ALLSUP, Texas Registered Nurse License Number 777859 and Nurse Licensure Compact Privileges associated with Colorado Practical Nurse License Number 31072 and Colorado Registered Nurse License Number 113154, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on February 18, 2010, by Katherine A. Thomas, MN, RN, Executive Director.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas. Respondent's license to practice practical nursing and license to practice professional nursing in the State of Colorado are in "Inactive" status.

4. Respondent received an Associate Degree in Nursing from Trinidad State Junior College, Trinidad, Colorado, on August 1, 1996. Respondent was licensed to practice practical nursing in the State of Colorado on July 18, 1994; was licensed to practice professional nursing in the State of Colorado on October 16, 1996; and was licensed to practice professional nursing in the State of Texas on November 25, 2009.

5. Respondent's nursing employment history includes:

7/94 - 8/96	Unknown	
9/96 - 4/97	GN/RN Staff Nurse	IHS Community Care Delta, Colorado
5/97 - 5/04	Staff Nurse	Paonia Care and Rehabilitation Paonia, Colorado
6/04 - 6/09	Case Manager	Hospice and Palliative Care of Western Colorado Delta, Colorado
7/09	Unknown	
8/09 - 10/09	Staff Nurse	Hospice of East Texas Home Place Tyler, Texas
11/09 - Present	Unknown	

6. At the time of the incident in Finding of Fact Number Seven (7), Respondent was employed as a Staff Nurse with Hospice of East Texas Home Place, Tyler, Texas, using her Registered Nurse licensure compact privilege from the State of Colorado, and had been in this position for two (2) months.

7. On or about October 12, 2009, while employed as a Staff Nurse with Hospice of East Texas Home Place, Tyler, Texas, using her Registered Nurse licensure compact privilege from the State of Colorado, Respondent administered Humulin Regular Insulin to Patient Number 12774 that was in excess of the physician's order. Respondent mistakenly administered 0.5 ml of Insulin, while using a Tuberculin syringe, instead of five (5) units, as ordered. Although Respondent immediately notified the physician and obtained orders to monitor and maintain the patient's blood glucose levels, Respondent did not timely notify her supervisor of the medication error. Respondent's conduct was likely to injure the patient from low blood sugar due to administration of excess Insulin and from nursing decisions by subsequent care givers that could have been based on incomplete information.

8. In response to the incident in Finding of Fact Number Seven (7), Respondent admits to making the medication error stating that she had been experiencing a great deal of stress/anxiety over her new job, the new work environment, and working a shift to which she was having difficulty adjusting. Respondent adds that when she realized she had made the medication error, she immediately notified the physician because he was still in the facility at that time.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Sections 301.452(b)(13) and 304.001, Article 3, Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(B),(1)(C),(1)(P)&(3)(A).
4.
