BEFORE THE TEXAS BOARD OF NURSING

In the Matter of License Number 597865. § AGREED
issued to CAROL SUE GOURLAS § ORDER

An investigation by the Texas Board of Nursing, hereinafter referred to as the Board, produced evidence indicating that CAROL SUE GOURLAS, hereinafter referred to as Respondent, Registered Nurse License Number 597865, may have violated Section 301.452(b)(3),(9)&(10), Texas Occupations Code.

An informal conference was held on October 9, 2007, at the office of the Texas Board of Nursing, in accordance with Section 301.464 of the Texas Occupations Code.

Respondent appeared in person. Respondent was represented by Roy R. Barrera, Jr., Attorney at Law. In attendance were Mary Beth Thomas, PhD, RN, Executive Director's Designee; James W. Johnston, General Counsel; Victoria Cox North, Assistant General Counsel; Anthony L. Diggs, MSCJ, Director, Enforcement Division; Earl E. Stearns, Senior Investigator; and Mike Abul-Saud, RN, Investigator.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived notice and hearing, and consented to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from Montgomery Community College, Takoma Park, Maryland, on May 1, 1992. Respondent was licensed to practice professional nursing in the State of Texas on September 27, 1993.

5. Respondent's professional nursing employment history includes:

09/93 - 1994	RN Charge Nurse	Sid Petersen Hospital Kerrville, Texas
1994 - 1995	RN/DON	U.S. Health Trends Bandera, Texas
1995 - 1997	Corporate RN	Hondo Management, Inc. Hondo, Texas
1997 - 2003	Staff Pool RN (PRN)	University Hospital San Antonio, Texas
04/99 - 06/01	RN/DON	Crescent Care Center Bandera, Texas
07/01 - 12/01	RN Wellness Director	The Haven Kerrville, Texas
12/01 - 06/02	Staff Development QA/ ADON	Harvest Community of Hondo Hondo, Texas
07/02 - 08/05	RN/ADON	Hilltop Village Kerrville, Texas
09/05 - Present	ADON	Hondo Healthcare and Rehab Hondo, Texas

6. At the time of the initial incident, Respondent was employed as a Registered Nurse and Assistant Director of Nursing with Hilltop Village, Kerrville, Texas, and had been in this position for approximately two (2) years and eight (8) months.
7. On or about March 2005 through June 2005, while employed as a Registered Nurse and Assistant Director of Nursing with Hilltop Village, Kerrville, Texas, Respondent misappropriated discontinued medications/narcotics; expired residents' medications/narcotics; and/or residents' hospital medications/narcotics from the facility to sell, trade or exchange for Cocaine, for her own personal use. Respondent's conduct was deceptive and in violation of Chapter 481 of the Texas Health and Safety Code (Controlled Substances Act).

8. On or about July 5, 2006, Respondent entered a plea of Nolo Contendere to POSSESSION OF CONTROLLED SUBSTANCE, TO-WIT: HYDROCODONE IN THE AMOUNT OF MORE THAN FOUR GRAMS BUT LESS THAN 200 GRAMS WITH INTENT TO DELIVER (a First Degree Felony offense committed on June 13, 2005), in the District Court, 216th Judicial District, Bandera County, Texas, under Cause No. CRDS-05-105. As a result, the proceedings against Respondent were deferred without entering an adjudication of guilt, and Respondent was placed on probation (deferred adjudication) for a period of ten (10) years. Additionally, Respondent was ordered to pay a five hundred dollar (\$500) fine and court costs, and Respondent was ordered to perform two hundred fifty (250) hours of community service.

On or about May 22, 2008, an Order Terminating Deferred Adjudication was entered in the District Court, 216th Judicial District, Bandera County, Texas, under Cause No. CRDS-05-105. The Order effectively dismissed Cause No. CRDS-05-105 and discharged Respondent from deferred adjudication.

9. In response to Findings of Fact Numbers Seven (7) and Eight (8), Respondent states: Prior to the incident at Hilltop Village, she had no criminal history. She had been a nurse for nearly twelve (12) years and had no complaints or actions taken against her or her licensure. She suffered psychological and domestic abuse/violence in her marriage and was involved in a divorce at the time. She feels the problems in her personal life were a root cause for the poor judgment she used, and the poor choices she made in regards to drug matters. Nevertheless, she did not allow domestic or legal issues to deter her from being a good nurse or doing good work. She resigned her position with Hilltop Village, and has since, been gainfully employed as an Assistant Director of Nursing at another Healthcare and Rehab Center. She is a good employee who simply stumbled.
10. Nick Madrid, Probation Officer for the 216th Judicial District Community Supervision and Corrections Department, submitted a letter to the Board dated July 28, 2008, stating that Respondent, as a term of her probation, submitted to random urinalysis on June 25, 2007, and April 23, 2008. Mr. Madrid states that both specimens tested negative for the presence of illegal substances.
11. On March 27, 2007, Respondent completed the SASSI-3 evaluation and was interviewed by Marilyn Whitman, Administrator of the Alamo Center for Learning, Inc., San Antonio, Texas. In a letter dated March 29, 2007, Ms. Whitman states that the assessment, based on the past six months, indicated a low probability of substance dependence, with moderately elevated scale scores, and that the Respondent should consider further evaluation.
12. Respondent has been granted temporary custody of her grandchild, while the Respondent's son, the child's father, who resides with the Respondent, is awaiting a Termination of Parental Rights Hearing for the child's mother. The Respondent's home has been deemed by the Guardian Ad Litem for the child to be a safe environment.

13. Several reference letters from the Respondent's colleagues, friends and family have been received by the Texas Board of Nursing for use in the investigation of this case. The letters include the following:

Tammy Mains, LVN, Hilltop Village, Kerrville, Texas, indicated that she has known the Respondent for approximately four years and found her to be "very knowledgeable and helped [her] to learn and understand [her] job in nursing."

Linda Simcox, LVN, stated that she has known the Respondent for approximately 12 years and that the Respondent is a "very caring person and knowledgeable nurse...She is always thinking of ways to improve the quality of life for the residents of nursing homes...When not working, she uses her skills as a nurse to volunteer at schools, flu drives, health clinics, church, little league sports and even became an EMT when there were not enough in Bandera County.

Reverend Richard, E. Dunham, St. Christopher's Episcopal Church, Bandera, Texas, stated that the Respondent is a "model citizen...She is a very good and conscientious mother...There is nothing in Carol's character that would lead her to do anything illegal."

Caroline P. Benjamin, Ph.D., Associate Professor Emeritus of Biology, Texas State University, San Marcos, Texas, stated that the Respondent has "worked with those most unable to care for themselves, namely, both the very young (as a pediatric nurse in the hospital postpartum nursery) and the elderly (as a nurse and assistant director in two nursing homes)...and she is devoted to her patients."

J. Craig Sweeney, CRS, GRI, Broker-Salesman, Dickson Realty, Reno, Nevada, indicated that he has known the Respondent for approximately 35 years and that she is "a woman of great character, integrity, intelligence and grace and is a person who always puts others first before thinking of herself."

Jill Heinen, RN, Director of Nursing, Hilltop Village, Kerrville, Texas, stated that she was the Respondent's supervisor for two years at Hilltop Village, and had known her personally for approximately six years. She further stated that the Respondent "has always been a competent and caring nurse. She did an excellent job as Assistant Director of Nursing. She displayed professionalism and knowledge which made her an asset to the profession."

14. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.

15. Formal Charges were filed on August 7, 2007.
16. Formal Charges were mailed to Respondent on August 13, 2007.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.455, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(3),(9)&(10), Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.12(6)(G),(10)(E),(11)(B)&(13).
