TEXAS BOARD OF NURSING
I do hereby certify this to be a complete, accurate, and true copy of the document which is on file or is of record in the offices of the Texas Board of Nursing.
Executive Director of the Board
Katherine A. Thomas

Dear Ms Hodges:

The Texas Board of Nursing recommends that you voluntarily surrender your license to practice vocational nursing in Texas.

Enclosed, please find an Agreed Order that contains the Board's Findings of Fact and Conclusions of Law that must accompany the Board's acceptance of your surrender. Also included in the Order are the minimum conditions that must be fulfilled before any petition for reinstatement of your license to practice vocational nursing will be considered by the Board.

In order to be accepted, you must ensure that the signed and notarized Order is received in the Board's Office within three weeks of the date of this letter. Once the signed and notarized Order is received in the Board's office, the terms of the Order will become effective and your license will be placed in surrendered status in our licensure files. Although a voluntary surrender is not a statutory sanction listed in Section 301.453(a), of the Nursing Practice Act, the action will be reported to the data bank of National Council of State Boards of Nursing, Inc., the Healthcare Integrity and Protection Data Bank (HIPDB), and will appear in the Board's quarterly newsletter.

Should you desire to return to the practice of vocational nursing in Texas, you may contact our office to request a reinstatement petition. You will be subject to any reinstatement conditions that are in effect at the time that your petition is filed with the Board.

If you have any questions, please contact Earl E. Stearns, Senior Investigator, Enforcement Division, at (512) 305-7665.

Sincerely,
Katherine A. Thomas

BEFORE THE BOARD OF NURSE EXAMINERS
FOR THE STATE OF TEXAS

In the Matter of Vocational Nurse License Number 107612 § AGREED
issued to LESLIE C. HODGES § ORDER

On this day the Board of Nurse Examiners for the State of Texas, hereinafter referred to as the Board, considered the matter of LESLIE C. HODGES, Vocational Nurse License Number 107612, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(9) & (10), and Texas Occupations Code. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order offered on February 3, 2006, by Katherine A. Thomas, MN, RN, Executive Director.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Community School of Nursing, Houston, Texas, on August 29, 1984. Respondent was licensed to practice vocational nursing in the State of Texas on December 17, 1984.

12/1984 - 12/1994

Staff Nurse
Lyndon B. Johnson Hospital

Respondent's professional nursing employment history continued:

12/1994 - Tentative

6. On or about March 4, 2004, Respondent falsely documented Tylenol with Codeine as "wasted" and failed to follow the policy and procedure for wastage, in that Respondent did not have a witness for wastage of Tylenol with Codeine. Respondent's conduct was likely to deceive the home health pharmacy and placed them in violation of Chapter 481 of the Texas Health and Safety Code (Controlled Substances Act).
7. On or about May 18, 2004, while employed with Pediatric Special Care, Bellaire, Texas, Respondent provided a false urine specimen prior to a positive urine drug screen. Possession of Propoxyphene is prohibited by Chapter 481 of the Texas Health & Safety Code (Controlled Substances Act). The use of Propoxyphene by a Nurse, while subject to call or duty, could impair the nurse's ability to recognize subtle signs, symptoms or changes in the patient's condition, and could impair the nurse's ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patient in potential danger.
9. The Respondent's conduct described in the preceding Finding of Fact was reportable under the provisions of Sections 301.401-301.419, Texas Occupations Code.
10. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.
11. Respondent's conduct described in Findings of Fact Numbers Six (6) through Eight (8) was significantly influenced by Respondent's chemical dependency.
12. Respondent's compliance with the terms of a Board approved peer assistance program should be sufficient to protect patients and the public.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.455, the Board has jurisdiction over this matter.

2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(9) & (10), Texas Occupations Code, and 22 TEX. ADMIN. CODE §239.11(10), (27)(G), & (28).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 107612, heretofore issued to LESLIE C. HODGES, including revocation of Respondent's vocational license to practice nursing in the State of Texas.
5. The Board may, in its discretion, order a nurse to participate in a peer assistance program approved by the Board if the nurse would otherwise have been eligible for referral to peer assistance pursuant to Section 301.410, Texas Occupations Code.

ORDER

IT IS THEREFORE AGREED and ORDERED that RESPONDENT, in lieu of the sanction of Revocation under Section 301.453, Texas Occupations Code, SHALL comply with the following conditions for such a time as is required for RESPONDENT to successfully complete the Texas Peer Assistance Program for Nurses (TPAPN):

Senior Investigator,

In reply to Charge 1:

I did not continue the TPAPN program and explained why in my previous letter to the board. I do not have an addiction to any drug or alcohol. I did attempt TPAPN for several months because it was a board order. My case manager told me I was not eligible for TPAPN if I did not have an addiction and since I was finding it harder and harder to work steps of a 12 step program without an addiction I had to quit the program even knowing that my license could be revoked. I have previously informed the Board that I did attend more than 4 months of AA meetings including 90 meetings in 90 days. I did have 5 sessions with a drug counselor, who, I believe, recommended to my TPAPN Case manager that I did not show addictive behavior or actions. I did submit to 11 drug screens which I am sure were negative. I could have done any other part of the TPAPN program even without an addiction but I could not attend AA meetings and work the steps and admit to myself and others that I am powerless over drugs or alcohol. I am not powerless over any drug and do not drink.

Therefore, I would like to deny part of the allegation. I would like notice of my hearing And the right to legal counsel. Thank you for your time.
