issued to JOHANNA KAY PARKER § ORDER

On this day the Board of Nurse Examiners for the State of Texas, hereinafter referred to as the Board, considered the matter of JOHANNA KAY PARKER, Vocational Nurse License Number 85840, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(9)&(10), Texas Occupations Code. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order offered on February 11, 2007, by Katherine A. Thomas, MN, RN, Executive Director.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order.

08/97 - 02/01	Assistant Director of Nursing	Kern Manor Pilot Point, Texas
02/01 - 11/01	Assistant Director of Nursing	Pecan Tree Gainesville, Texas
12/01 - 11/05	LVN Unit Manager	Renaissance Care Center Gainesville, Texas
12/05 - Present	Unknown	

6. On December 5, 1995, the Board of Vocational Nurse Examiners for the State of Texas issued an Agreed Board Order that suspended Respondent's license to practice vocational nursing in the State of Texas, stayed the suspension, and placed Respondent's license on probation for a period of eighteen (18) months, with stipulations. A copy of the December 5, 1995 Agreed Order, Findings of Fact and Conclusions of Law, is attached and incorporated, by reference, as part of this Order.
7. At the time of the incident, Respondent was employed as a Licensed Vocational Nurse with Renaissance Care Center, Gainesville, Texas, and had been in this position for approximately three (3) years and eleven (11) months.
8. On or about November 8, 2005, while employed as a Licensed Vocational Nurse with Renaissance Care Center, Gainesville, Texas, Respondent misappropriated Lortab belonging to the facility and patients thereof, or failed to take precautions to prevent such misappropriation. Respondent's conduct defrauded the facility and the patients thereof of the cost of the medications and is in violation of Chapter 481 of the Texas Health and Safety Code (Controlled Substances Act).
9. On or about November 8, 2005, while employed as a Licensed Vocational Nurse with Renaissance Care Center, Gainesville, Texas, Respondent engaged in the intemperate use of Lortab and Marijuana, in that Respondent admitted to the use of Lortab and Marijuana. Possession of Lortab or Marijuana is prohibited by Chapter 481 of the Texas Health and Safety Code (Controlled Substances Act). The use of Lortab or Marijuana by a Licensed Vocational Nurse, while subject to call or duty, could impair the nurse's ability to recognize subtle signs, symptoms or changes in the patient's condition, and could impair the nurse's ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patient in potential danger.

10. In response to Findings of Fact Numbers Eight (8) and None(9), Respondent stated: To my understanding, the allegations in my case were: Diversion of six (6) Lortab; the admitted use of Marijuana; asking a co-worker for clean urine; and refusing to take a drug test.

As much as I would like to be able to deny all the allegations, I find I am not able to with all honesty. The diversion of the Lortab, I don't believe ever even happened, so I can't admit to something that wasn't there in the first place. But, the other allegations are true. No one likes to admit to a problem, and I'm no different. Over the past years, I never thought of my use of Marijuana as a problem, or maybe I just never thought about it at all. Either way, sometimes situations have a way of making you think about things you would rather ignore. In my nursing career, I have always cared for my patients and residents in the best way possible. It now occurs to me how much my personal life affects my professional life, and I should never have let that happen. My hopes are that you can guide me in getting the assistance I need to help me resolve this problem

11. The Respondent's conduct described in the preceding Findings of Fact was reportable under the provisions of Sections 301.401-301.419, Texas Occupations Code.
12. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.
13. Respondent's conduct described in Findings of Fact Numbers Eight (8) and Nine (9) resulted from Respondent's dependency on chemicals.
14. Respondent's compliance with the terms of a Board approved peer assistance program should be sufficient to protect patients and the public.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.455, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(9)&(10), Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.12(1)(E),(5),(6)(G)&(10)(A).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 85840, heretofore issued to JOHANNA KAY PARKER, including revocation of Respondent's license to practice vocational nursing in the State of Texas.
