Executive Director of the Board

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Vocational Nurse § AGREED
License Number 144008 §
issued to WANDA JEAN NASH § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board considered the matter of WANDA JEAN NASH, Vocational License Number 144008, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on July 31, 2009, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Angelina College, Lufkin, Texas, on July 8, 1993. Respondent was licensed to practice vocational nursing in the State of Texas on December 1, 1993.
5. Respondent's vocational nursing employment history includes:

12/93 - 11/99	Unknown
---------------	---------

Respondent's vocational nursing employment history continued:

12/99 - 8/05	Staff Nurse	Angelina Home Health Lufkin, Texas
8/00 - 8/01	Staff Nurse	Diboll Correctional Facility Diboll, Texas
8/03 - 12/04	Staff Nurse	Hillside Health and Rehabilitation Center Wells, Texas
9/05 - 2/06	Unknown	
3/06 - 9/06	Staff Nurse	Lufkin State School Lufkin, Texas
10/06 - 8/08	Unknown	
9/08 - 5/09	Staff Nurse	Brentwood Place Three Dallas, Texas

6. On or about June 12, 2007, Respondent's license to practice vocational nursing in the State of Texas was issued a Reprimand with Stipulations and a Fine through an Agreed Order of the Board. A copy of the Findings of Fact, Conclusions of Law, and Order dated June 12, 2007, is attached and incorporated herein by reference.
7. At the time of the initial incident in Finding of Fact Number Eight (8), Respondent was employed as a Staff Nurse with Brentwood Place Three, Dallas, Texas, and had been in this position for seven (7) months.
8. On or about April 15, 2009, while employed as a Staff Nurse with Brentwood Place Three, Dallas, Texas, Respondent failed to provide adequate care for Patient Medical Record Number 25265 in that she failed to recognize that the patient's elevated serum potassium level of 7.2 was a critical level and failed to notify the physician of the elevated level. Although Respondent documented in the patient's medical record that the Nurse Practitioner was notified, the Nurse Practitioner indicated that if she had been informed of the elevated serum potassium level, she would have addressed that along with the other issue that Respondent had called her about. The patient was subsequently hospitalized on April 17, 2009. Respondent's conduct delayed the onset of the patient's medical care that was needed to prevent complications including, but not limited to, cardiac arrhythmias or cardiac arrest.

9. On or about May 27, 2009, while employed with Brentwood Place Three, Dallas, Texas, Respondent failed to provide adequate care for Patient Medical Record Number 99626 in that she documented on a weekly skin assessment an open area which, although reported to the treatment nurse, was not reported by Respondent to the physician. Instead, Respondent notified the treatment nurse and she in turn notified the physician who left new orders for wound care. Respondent's conduct delayed the onset of the patient's medical care that was needed to prevent complications including, but not limited to, possible infections.
10. In response to the incidents in Findings of Fact Numbers Eight (8) and Nine (9), Respondent states she did recognize that the potassium level was at a critical level and notified the Nurse Practitioner of the elevated potassium level as well as an elevated PT/INR. "She stated that she was more concerned about the PT/INR and gave me orders for Vitamin K and to hold the Coumadin." Respondent adds that she is the one who sent the patient to the hospital 2 days later. Furthermore, Respondent states, "We (nurses) were told by the DON (Director of Nurses) not to call the PAs or doctors on our own due to the fact that they had been called too many times from one facility but we were to have one person call for orders. Since the treatment nurse was in the building and doing an assessment on the resident, I did refer the chart to her to get orders. The treatment nurse did get the orders for treatment of the breakdown to open area. The DON was also notified of the outcome."

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§217.11(1)(A),(1)(B),(1)(D),(1)(M),(1)(P)&(2)(A) and 217.12(1)(A),(1)(B)&(4).

9. On or about August 19, 2006, through August 27, 2006, while employed with Lufkin State School, Polok, Texas, Respondent failed to provide adequate care for Resident ID Number 1828, which may have contributed to the resident's demise, in that she:

Resident 1828 was on her way to see a cardiologist when she "collapsed" in the school van. 10. In response to the incidents in Findings of Fact Numbers Seven (7) through Nine (9), Respondent states that the residents had refused to take their medications and she "forgot" to circle her initials, as required when medications are not administered. Respondent also states that there were no visible signs of vaginal or rectal bleeding and since the resident had been assessed that day in sick call, she did not notify the physician.
