BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Vocational Nurse § AGREED
License Number 196370 §
issued to MARY JO NOE § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Boar considered the matter of MARY JO NOE, Vocational Nurse License Number 196370, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order offered on July 29, 2009, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Concord Career Institute, Arlington, Texas on October 9, 2004. Respondent was licensed to practice vocational nursing in the State of Texas on November 16, 2004.
5. Respondent's vocational nursing employment history includes:

11/2004 to Unknown	Staff Nurse	Downtown Health and Rehabilitation Center Fort Worth, Texas
--------------------	-------------	--

6. At the time of the initial incident in Finding of Fact Number Seven (7), Respondent was employed as a Staff Nurse with Downtown Health and Rehabilitation Center, Ft. Worth, Texas, and had been in this position for two (2) years and three (3) months.
7. On or about February 22, 2007, while employed as a Staff Nurse with Downtown Health and Rehabilitation Center, Fort Worth, Texas, Respondent incorrectly documented medication administration times and erroneously listed the medication, Seroquel, that was ordered for another resident, on the Release of Responsibility for Medications form provided to the daughter of Resident PS. Respondent also provided the medications documented on the form, to the daughter to administer to the resident during a weekend home visit. Respondent's conduct resulted in inaccurate instructions for medication administration at home and could have resulted in non-efficacious treatment and adverse drug reaction to a medication administered without the benefit of a physician's expertise.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent states that the resident's daughter was placing a great deal of pressure to hurry-up the discharge process and the hectic nature of the day resulted in the error.
9. Charges were filed on April 7, 2009.
10. Charges were mailed to Respondent on April 13, 2009.

CONCLUSIONS OF LAW
