BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse § AGREED
License Number 512979 §
issued to ELISA MANGUBAT NAJITO § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board considered the matter of ELISA MANGUBAT NAJITO, Registered Nurse License Number 512979, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order offered on July 21, 2009, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received a Baccalaureate Degree in Nursing from Concordia College, Philippines, in March 1979. Respondent was licensed to practice professional nursing in the State of Texas on March 21, 1984.
5. Respondent's nursing employment history includes:

3/1984 - 1/1991	Unknown	
2/1991 - 2/2001	Nurse Supervisor	Vencor Hospital San Antonio, Texas
3/2001 - 9/2001	Unknown	

Respondent's nursing employment history continued:

10/2001 - Unknown	Staff Nurse, Transplant Intensive Care Unit	CHRISTUS Santa Rosa Northwest San Antonio, Texas
12/2003 - Present	Staff Nurse	TexSan Heart Hospital San Antonio, Texas

6. At the time of the initial incident, Respondent was employed as a Staff Nurse with TexSan Heart Hospital, San Antonio, Texas, and had been in this position for two (2) years and nine (9) months.
7. On or about September 29, 2006, while employed with TexSan Heart Hospital, San Antonio, Texas, Respondent failed to timely notify the physician of a significant change in the Potassium and Creatinine levels of Patient 016126, who had been admitted with chronic renal failure and had undergone surgery involving five (5) aortocoronary bypasses the day before. The patient's Potassium level increased during Respondent's shift to a "High Panic" level after having been within the normal range only six (6) hours earlier. Instead of immediately notifying the physician, Respondent opted to wait approximately two (2) hours until the results of an additional full blood panel had been received. Forty-five (45) minutes after giving end of shift report and leaving, the patient became unresponsive and was pronounced deceased after attempts at resuscitation were unsuccessful. Respondent's conduct denied the physician the benefit of timely information on which to base his decisions regarding the patient's care, and may have contributed to the patient's subsequent demise.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent states that she performed the reporting of the critical lab values in accordance with the facility's policy.
9. The Board finds that since the incident in Finding of Fact Number Seven (7), Respondent has remained employed with TexSan Heart Hospital, San Antonio, Texas, and has demonstrated consistent improvement in her performance evaluations. Respondent's most recent overall performance evaluation, in December 2008, indicates that she "Exceeds Expectations," and the facility indicates that she has had no subsequent documented practice issues.

3. The evidence received is sufficient to prove violations of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§ 217.11(1)(B),(1)(D),(1)(M), (1)(P)&(3)(A) and 217.12(1)(B)&(4).
