

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse License Number 618207 § AGREED
issued to BRENDA D. HERD § ORDER

I do hereby certify this to be a complete, accurate, and true copy of the document which is on file or is of record in the offices of the Texas Board of Nursing.
Mary Beth Thomas
Executive Director of the Board

An investigation by the Texas Board of Nursing, hereinafter referred to as the Board, produced evidence indicating that BRENDA D. HERD, hereinafter referred to as Respondent Registered Nurse License Number 618207, may have violated Section 301.452(b)(10)&(13), Texas Occupations Code.

An informal conference was held on April 14, 2009, at the office of the Texas Board of Nursing, in accordance with Section 301.464 of the Texas Occupations Code.

Respondent appeared in person. Respondent was represented by Dorothy Dafey Oruaga, Attorney at Law. In attendance were Mary Beth Thomas, Ph.D., RN, Executive Director's Designee; John F. Legris, Assistant General Counsel; Anthony L. Diggs, MSCJ, Director, Enforcement Division; and Kevin G. Freemyer, Investigator.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived notice and hearing, and consented to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received a Baccalaureate Degree in Nursing from Baylor University, Dallas, Texas, on May 1, 1995. Respondent was licensed to practice professional nursing in the State of Texas on June 27, 1995.

5. Respondent's professional nursing employment history includes:

05/95 - 07/97	RN	Charlton Methodist Hospital Duncanville, TX
10/97 - 04/00	RN	Baylor - Irving Irving, TX
01/98 - 04/00	RN	Health South Duncanville, TX
05/00 - 04/06	RN	Arlington Memorial Hospital Arlington, TX
05/06 - Present	Unknown	

6. At the time of the initial incident, Respondent was employed as a Registered Nurse with Arlington Memorial Hospital, Arlington, Texas, and had been in this position for approximately five (5) years and eleven (11) months.
7. On or about April 3, 2006, through April 10, 2006, while employed as a Registered Nurse with Arlington Memorial Hospital, Arlington, Texas, Respondent withdrew Morphine from the Pyxis medication dispensing system and administered said Morphine to Patient Medical Record Numbers M000764861 and M001005410 in excess frequency and/or dosage of the physician's order. Respondent's conduct was likely to injure the patient in that the administration of narcotics in excess frequency and/or dosage of the physicians' order could result in the patient suffering from adverse reactions.
8. In response to Finding of Fact Number Seven (7), Respondent states that she must have misread the physician's order. Additionally, Respondent states that she gave the additional doses to her patients for their comfort and relief of pain.
9. Respondent states that after she was initially referred by the Board to Texas Peer Assistance Program for Nurses (TPAPN) she saw Gary Stephens, LMSW-ACP Director, Texas Department of Mental Health and Mental Retardation. Respondent states that Mr. Stephens believes she is suffering from depression and saw no evidence of a drug problem.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.455, the Board has jurisdiction over this matter.

2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.11(1)(A)&(C), and 22 TEX. ADMIN. CODE §217.12(1)(A)&(4).
4. HERD, including revocation of Respondent's license to practice nursing in the State of Texas.
