BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse § AGREED
License Number 726965 §
issued to MARGARITA MARIA SARABIA SAGARAL § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of MARGARITA MARIA SARABIA SAGARAL, Registered Nurse License Number 726965, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on July 3, 2009, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.

3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received a Baccalaureate Degree in Nursing from Divine Word College, Tagbilaran, Bohol, Philippines, on March 28, 1992. Respondent was licensed to practice professional nursing in the State of Texas on April 26, 2006.

7. On or about August 15, 2008, through August 16, 2008, while employed with McAllen Medical Center, McAllen, Texas, Respondent failed to initiate appropriate nursing interventions for Patient Number 528082, who was a "full code" patient, when it was reported to her at the start of her shift that the patient's blood pressure was low. Respondent failed to adequately assess and accurately document the patient's condition when four (4) hours later his blood pressure continued to decline. Respondent documented that the patient denied pain, was in no respiratory distress, and was comfortable and dry only 35 minutes prior to his being found on the floor, unresponsive and incontinent, by the oncoming staff. Subsequently, a code was called but the patient was pronounced deceased shortly after unsuccessful attempted resuscitation. Respondent's conduct may have contributed to the patient's subsequent demise.

8. In response to the Findings of Fact Number Seven (7), Respondent states she knew the patient was terminal with acute lymphocytic leukemia and was a full code.
