Katherine A. Thomas
Executive Director of the Board

In the Matter of Vocational Nurse § AGREED
License Number 150924 §
issued to JACKIE DENISE COX § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Bo
considered the matter of JACKIE DENISE COX, Vocational Nurse License Number 150!
hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have
violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation
by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered
on June 8, 2009, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by
the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Joe G. Davis School of Vocational Nursing, Huntsville, Texas, on December 9, 1994. Respondent was licensed to practice vocational nursing in the State of Texas on January 19, 1995.
5. Respondent's complete vocational nursing employment history is unknown.
6. On or about September 5, 2007, while employed with the Montgomery County Jail Medical Department, Conroe, Texas, Respondent failed to document the passing/administration of medication to Inmate MB. Respondent's conduct resulted in an inaccurate, incomplete medical record.

7. On or about December 4, 2007, while employed with the Montgomery County Jail Medical Department, Conroe, Texas, Respondent failed to implement measures to prevent exposure to infectious pathogens and communicable diseases in that she failed to ensure the proper disposal and accountability of used sharps, which subsequently led to Inmate #235627 gaining access to a "used" syringe. Respondent's conduct was likely to injure the inmate(s) in that it created an unsafe environment and may have unnecessarily exposed them to risk of harm.

8. In response to the incident in Finding of Fact Number Seven (7), Respondent states:

"Another inmate was in the process of testing his blood glucose level and self administering his insulin at the time that inmate #235627 came into the medical department. I had turned to obtain additional insulin supplies from the refrigerator located on the counter top of the treatment area. The inmate preceding inmate #235627 in getting his insulin placed his used syringe on the counter top and walked away. As I turned to retrieve the contaminated syringe for placement in the sharps container, Inmate #235627 laid a syringe on the counter and asked if I had given him his insulin. I advised him that I had not prepared his insulin and that I was getting additional supplies out of the refrigerator. It was at this time that Inmate #235627 stated, 'Oh (explicative), I just stuck myself with a dirty needle.' He then threw the syringe across the counter and on to the floor."

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§217.11(1)(A),(B),(D)&(O) and 217.12(1)(A),(1)(C)&(4).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 150924, heretofore issued to JACKIE DENISE COX, including revocation of Respondent's license to practice vocational nursing in the State of Texas.
