

Respondent's nursing employment history continued:

1/2005 - Unknown	Staff Nurse	Afton Oaks Nursing Houston, Texas
1/2006 - Unknown	Staff Nurse	Paramount Rehabilitation Houston, Texas
6/2006 - Unknown	Staff Nurse	Lakewood Nursing Center Houston, Texas
9/2006 - Unknown	Staff Nurse	The Village Healthcare Center Houston, Texas
8/2009 - Present	Charge Nurse	Mission Care Nursing Home Houston, Texas

6. On or about February 6, 2004, while employed as a Staff Nurse with The Village Healthcare Center, Houston, Texas, Respondent failed to document in the medical record that he performed a wound dressing change on the leg of Resident RD. It was later determined that the previous afternoon, the resident had dropped a lit cigarette on his foot, which ignited a dressing on his foot and caused a large area, full thickness burn to the dorsal and plantar areas of his foot, a burn which would have been present when Respondent performed the dressing change. Respondent's conduct resulted in an incomplete medical record and unnecessarily exposed the resident to the risk of injury due to complications from an untreated burn, including possible infection and/or sepsis.
7. In response to the incident in Finding of Fact Number Six (6), Respondent states that he forgot to document the treatment but that he never noticed any burn on the resident's foot. According to Respondent, he had been called in to fill in for another nurse, had several new resident admissions and other assignments to complete within his six (6) hour shift.
