BEFORE THE BOARD OF NURSE EXAMINERS
FOR THE STATE OF TEXAS

In the Matter of Vocational Nurse	§	AGREED
License Number 161428	§	
issued to CYNTHIA ANN HANKS	§	ORDER

On this day the Board of Nurse Examiners for the State of Texas, hereinafter referred to as the Board, considered the matter of CYNTHIA ANN HANKS, Vocational Nurse License Number 161428, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order offered on August 5, 2007, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Lamar University, Port Arthur, Texas, on December 20, 1996. Respondent was licensed to practice vocational nursing in the State of Texas on February 5, 1997.

5. Respondent's vocational nursing employment history includes:

2/1997 - 2/1999	Staff Nurse	St. Elizabeth's Hospital Beaumont, Texas
3/1999 - 2/2000	Staff Nurse	Beaumont Federal Correctional Complex Beaumont, Texas
3/2000 - 7/2000	Staff Nurse	Brackenridge Hospital Austin, Texas
8/2000 - 12/2000	Staff Nurse Student Health Services	The University of Texas Austin, Texas
1/2001 - 7/2003	Agency Nurse Seton Premiere Staffing	Seton Hospital Austin, Texas
8/2003 - 2/2004	Unknown	
3/2004 - 1/2005	Agency Nurse Seton Premiere Staffing, as needed	Seton Hospital Austin, Texas
9/2004 - 1/2005	Utilization Review Nurse, Part Time	L.K. Jordan and Associates Austin, Texas
10/2004 - 2/2006	Staff Nurse	Edgar B. Davis Hospital Luling, Texas
3/2006 - 4/2006	Staff Nurse	Maxim Health Care Beaumont, Texas
4/2006 - Present	Staff Nurse	The Medical Center of Southeast Texas Port Arthur, Texas

6. At the time of the initial incident, Respondent was employed as a Staff Nurse with The Medical Center of Southeast Texas, Beaumont, Texas, and had been in this position for ten (10) months.

7. On or about February 23, 2007, while employed as a Staff Nurse at The Medical Center of Southeast Texas, Port Arthur, Texas, Respondent failed to clarify an order that she received for an excessive dose of Synthroid, 750 mcg, for Patient Number E000046670. According to drug references, the dosage range for Patient Number E000046670 should not have exceeded 25 mcg. Although Respondent recognized that the dose was excessive, she administered it to the patient, who then required transfer to the Cardiovascular Intensive Care Unit for monitoring. Respondent's conduct was likely to injure the patient in that the patient had diagnoses of Chronic Renal Failure, Cardiovascular disease, and Gastrointestinal bleeding, all of which can be exacerbated by an overdose of Synthroid.
8. On or about February 23, 2007, while employed as a Staff Nurse at The Medical Center of Southeast Texas, Port Arthur, Texas, Respondent failed to document in the medical record assessments, interventions and nursing care she provided to the aforementioned Patient Number E000046670 during her eight (8) hour shift. Respondent's conduct resulted in an incomplete medical record and deprived other caregivers of vital information on which to base further care and interventions.
9. In response to the incidents in Findings of Facts Numbers Seven (7) and Eight (8), Respondent states that she was at the nurses' station, which was very noisy, when she received the physician's phone call. According to Respondent, the physician spoke with a thick accent and very softly, and that although she asked him to repeat the specific order many times and she repeated the order back several times, she knew that it was not a normal dose for this medicine. The physician stated that what had been repeated back to him "was what he wanted," so Respondent wrote the order and sent it to the pharmacy. Respondent states that the pharmacist called her and questioned the order, but that she told the pharmacist that the dosage was what the doctor wanted to give to the patient. Respondent states, "The pharmacist filled it and I gave it."

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§ 217.11(1)(A),(1)(C), (1)(D)&(1)(N) and 217.12 (1)(A),(1)(B)&(4).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 161428, heretofore issued to CYNTHIA ANN HANKS, including revocation of

Respondent's license to practice vocational nursing in the State of Texas.
