| License Number 651036 | § | REINSTATEMENT |
| issued to JAMIE WATKINS | § | AGREED ORDER |

On this day came to be considered by the Texas Board of Nursing, hereinafter referred to as the Board, the Petition for Reinstatement of Registered Nurse License Number 651036, held by JAMIE WATKINS, hereinafter referred to as Petitioner.

An informal conference was held on October 2, 2007, at the office of the Texas Board of Nursing, in accordance with Section 301.464, Texas Occupations Code.

Petitioner appeared in person. Petitioner was notified of her right to be represented by legal counsel and elected to waive representation by counsel. In attendance were Mary Beth Thomas, Ph.D., RN, Director of Nursing Practice, Executive Director's Designee; Rachel Gomez, LVN, Board Member; Victoria Cox, Assistant General Counsel; Anthony L. Diggs, MSCJ, Director of Enforcement; Mike Abul-Saud, RN, Investigator; and Diane E. Burell, Investigator.

FINDINGS OF FACT

1. Prior to institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Petitioner and Petitioner was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Petitioner waived representation by counsel, notice and hearing, and consented to the entry of this Order.
3. Petitioner received an Associate Degree in Nursing from Northeast Texas Community College, Mt. Pleasant, Texas, on May 1, 1998. Petitioner was originally licensed to practice professional nursing in the State of Texas on June 9, 1998.

4. Petitioner's professional nursing employment history includes:

| | | |
|----------------|-------------------------|--|
| 3/97 - 8/99 | Scrub Tech./Staff Nurse | Titus Regional Medical Center Mt. Pleasant, Texas |
| 9/99 - 6/02 | Staff Nurse | East Texas Medical Center Pittsburg, Texas |
| 9/99 - 3/03 | Agency Nurse | Excel Staffing Agency Tyler, Texas |
| 4/03 - present | Not employed in nursing | |

5. On March 11, 2003, the Board revoked Petitioner's license to practice professional nursing in the State of Texas. A copy of the March 11, 2003, Order of the Board and Formal Charges, is attached and incorporated, by reference, as a part of this Order.

6. On or about June 6, 2007, Petitioner submitted a Petition for Reinstatement of License to practice professional nursing in the State of Texas.

7. Petitioner presented the following in support of her petition:

7.1. Documentation of Outpatient Treatment from October 28, 2004, through March 17, 2005.

7.2. Alcohol/drug evaluation, conducted on June 27, 2007, by Cindi Beck, LCDC, Longview, Texas, indicates Petitioner is living a sober lifestyle and there are no indicators of substance abuse or use. Ms. Beck finds there is no criteria for Petitioner to admit into Inpatient or Outpatient treatment. Her four (4) years of maintained sobriety indicates she has made appropriate changes in behavior and lifestyle. She seems to possess the skill and competence to practice without posing a risk to others.

7.3. Letter from Dr. Gregory Zarcone, Mt. Pleasant, Texas, states he has been the primary care physician for Petitioner since May 2006. She became a patient of his after the relocation of her previous physician, Dr. Ronald VanBuskirk, in November 2005. During the initial office visit, Petitioner informed the Dr. Zarcone and the nursing staff of her past problems with the abuse of her prescription medications. She stated her sobriety date of May 18, 2003. Throughout her visits to the office, Petitioner has never requested a controlled substance or exhibited behavior that would indicate she was seeking narcotics. In fact, when she was seen in the office as a follow-up for an emergency room visit for chest pain, she presented a negative drug screen that was performed during that ER visit. Her chest pain is being successfully managed with Atenolol 50mg daily. Dr. Zarcone strongly endorses Petitioner's fitness to practice nursing. As a physician, he understands the demands of the nursing profession, and firmly believes that she would serve as a great asset to the field of nursing.

- 7.4. Letter, dated April 28, 2007, from Rick Craig, RPH, states Petitioner has been employed by McKellar Medicine Chest for approximately eight (8) months. Initially, she was a tech in training and after successfully completing the national test, she is waiting to receive her pharmacy tech license. Petitioner has been an excellent employee since the beginning. She has learned and achieved every task assigned her with above average proficiency. Her strengths would be good sense of urgency, thoroughness, attention to detail, willing to work with others and achieve a plan, great communication skills, and very good problem solving skills. Petitioner is the kind of employee every pharmacist would love to have. She has the skills and desire that definitely makes the store a more enjoyable and efficient place to work.
- 7.5. Letter of support, dated August 19, 2005, from Reverend Jeff Croley, Greenhill United Methodist Church, Mt. Pleasant, Texas, states he has known Petitioner and her struggles. She was referred to him in hopes that he might be of service to her and her daughter at the depth of her low point. The struggles, both externally and internally, were myopic. It is Reverend Croley's view, over twenty years of dealing with situations like these, that Petitioner should not only be given a second chance, but an award to highlight her great effort, and accomplishment of working through and out of the most difficult journey.
- 7.6. Letter of support, dated May 15, 2007, from July Campbell, states she has known Petitioner her entire life, the last six (6) years being the most critical. Ms. Campbell has watched Petitioner succeed as a nurse, and then fall into a life of addiction which cost her the career she worked so hard for, her home, her family, relationships, and almost her daughter. Ms. Campbell knew Petitioner had an addiction by her demeanor and witnessed and supported Petitioner in her recovery process. Petitioner has proved to be a trustworthy, dependable person who possesses the qualities required to succeed in the nursing community. Her behavior ensures that she is a people person who strives to grow and continue learning throughout her experiences. She also actively participates in her daughters activities, family events, community wellness programs, proving that she once again is a productive member of society.
- 7.7. Letter of support from William McClinton states Petitioner is his dearest friend and has known her before, during and after her troubles. She has worked so very hard to clear her name and has paid her price. Petitioner was the most caring and hard working nurse.
- 7.8. Letter of support, dated May 23, 2007, from Louise Shepard, Mt. Pleasant, Texas, states Petitioner has been friends with Ms. Shepard's daughter since they were in elementary school. Ms. Shepard has known Petitioner and her family for over twenty-five (25) years. Petitioner is a problem solver. Much though goes into the things that Petitioner does, and she has an unusual ability to notice what

others overlook. She is organized, efficient, extremely competent, and has an excellent rapport with people of all ages. She has demonstrated her caring and empathetic nature through volunteer work. Ms. Shepard would strongly recommend Petitioner for any position or endeavor that she may seek to pursue.

7.9. Letter of support, dated May 24, 2006, from Jim Acock, Dallas, Texas, states as Petitioner's father, he has monitored her progress with great interest. She has worked very hard and has turned her life around. She is capable and deserving of reinstatement into the nursing profession.

8. Petitioner gives May 18, 2003, as her date of sobriety.
