BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered §
License Number 652231 § AGREED
issued to DAVID BARRETT § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board considered the matter of DAVID BARRETT, Registered Nurse License Number 652231, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Sections 301.452(b)(10) (effective to September 1, 2005) and 301.452(b)(10) (effective after September 1, 2005), Texas Occupations Code. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order offered on June 15, 2009, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from Northeast Texas Community College, Mount Pleasant, Texas on May 1, 1998. Respondent was licensed to practice professional nursing in the State of Texas on June 30, 1998.
5. Respondent's professional nursing employment history includes:

07/98 - 09/98 Unknown

Respondent's professional nursing employment history continued:

10/98 - 04/01	RN	East Texas Medical Center Pittsburg Pittsburg, Texas
04/01 - 04/03	RN	Advanced Temporaries Tyler, Texas
05/03 - 04/06	RN	Longview Regional Hospital Longview, Texas
05/06 - 07/06	RN	Hometown Home Health Mount Pleasant, Texas
08/06 - Present	Unknown	

6. On or about September 7, 2004, Respondent plead guilty to the offense "Fraudulent Possession of a Controlled Substance," a 2nd Degree Felony, in the 114th Judicial District Court of Smith County, Tyler, Texas, Cause Number 114-1156-04. An adjudication of guilt was deferred, and Respondent was placed on probation for a period of four (4) years and ordered to pay court costs in the amount of two hundred fifty-eight dollars (\$258.00). On November 13, 2008, Respondent's terms of community supervision were extended for three (3) years, to-wit: until September 6, 2011.
7. On or about August 5, 2006, through August 16, 2006, Respondent violated professional boundaries in that he visited patients of Hometown Home Health after he had been terminated from Hometown Home Health. A temporary restraining order was issued on August 21, 2006, barring Respondent from visiting patients of Hometown Home Health. On or about September 9, 2006, Respondent violated the restraining order in that he visited a patient of Hometown Home Health. Respondent's conduct was likely to injure the patient in that boundary violations can cause delayed distress for the patient which may not be recognized or felt by the patient until harmful consequences occur.
8. Regarding the conduct outlined in Finding of Fact Number Six (6), Respondent states that he began to suffer from cluster headaches in 1992 for which he was prescribed Vicodin. The headaches got to a point where Vicodin wasn't strong enough. The problem got worse through the years and after being prescribed Norco 10/325 the problem became "full blown" in his opinion. After being caught by the facility (East Texas Medical Center), Respondent called TPAPN and began their program. He finished his two years in TPAPN without any difficulty. Respondent states that he has spoken at youth camps, church camps, and NA and AA meetings about his story and recovery. Regarding the conduct outlined in Finding of Fact Number Seven (7), Respondent admits that after being let go by Hometown Home Health he did go and see some of the patients he had developed relationships with.

9. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Sections 301.452(b)(10) (effective to September 1, 2005) and 301.425(b)(10) (effective after September 1, 2005), Texas Occupations Code, and 22 TEX.
