3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from Prestonsburg Community College, Prestonsburg, Kentucky, on May 1, 1977. Respondent was licensed to practice professional nursing in the State of Texas on February 3, 2000.

6. At the time of the incidents, Respondent was employed as a Registered Nurse with Community General Hospital, Dilley, Texas, and had been in this position for approximately three (3) years and one (1) month.
7. On or about April 2007 through June 2007, while employed with Community General Hospital, Dilley, Texas, Respondent failed to accurately and/or completely document the administration of medication on patients' Medication Administration Records (MAR). Respondent's conduct was likely to injure the patients in that subsequent care givers would rely on her documentation to further medicate the patient which could result in an overdose.
8. On or about April 2007 through June 2007, while employed with Community General Hospital, Dilley, Texas, Respondent lacked fitness to practice in that she was observed falling asleep while receiving report. Respondent's condition could have affected her ability to recognize subtle signs, symptoms or changes in patients' conditions, and could have affected her ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patients in potential danger.
9. On or about April 2007 through June 2007, while employed with Community General Hospital, Dilley, Texas, Respondent misappropriated medication, or failed to take precautions to prevent misappropriation of medication from the hospital pharmacy. 10. On or about June 15, 2007, while employed with Community General Hospital, Dilley, Texas, Respondent left her nursing assignment without notifying the appropriate personnel. Respondent's conduct was likely to injure the patients in that leaving the nursing assignment could have resulted in the patients not getting the care that they needed.
11. On or about June 26, 2007, while employed with Community General Hospital, Dilley, Texas, Respondent engaged in the intemperate use of Cocaine, Opiates, and Marijuana in that she produced a specimen for a urine drug screen which resulted positive for Cocaine, Opiates and Marijuana. Possession of Cocaine, Opiates, and Marijuana is prohibited by Chapter 481 of the Texas Health & Safety Code (Controlled Substances Act). The use of Cocaine, Opiates, and Marijuana by a Registered Nurse, while subject to call or duty, could impair the nurse's ability to recognize subtle signs, symptoms or changes in the patient's conditions, and could impair the nurse's ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patient in potential danger.
12. The Respondent's conduct described in the preceding Findings of Fact was reportable under the provisions of Sections 301.401-301.419, Texas Occupations Code.

13. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.
14. In Response to Finding of Fact Numbers Seven (7) through Eleven (11), Respondent states that she was under increased stress due to working under high census and acuity, improper staffing, too many hours and not enough sleep. Respondent also states that family problems contributed to her increased stress level and eventually led to depression and drug use.
15. Respondent's conduct described in Finding of Fact Numbers Seven (7) through Eleven (11) was significantly influenced by Respondent's impairment by dependency on chemicals.
16. Respondent's compliance with the terms of a Board approved peer assistance program should be sufficient to protect patients and the public.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.455, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(9),(10),(12)&(13), Texas Occupations Code, 22 TEX. ADMIN. CODE §217.11(1)(A),(B),(D)&(I) and 22 TEX. ADMIN. CODE §217.12(1)(A)(E),(5), (6)(G)(H),(10)(A)(B)(D)&(11)(B).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 666424, heretofore issued to BETTY L. SLONE, including revocation of Respondent's license to practice professional nursing in the State of Texas.
5. The Board may, in its discretion, order a nurse to participate in a peer assistance program approved by the Board if the nurse would otherwise have been eligible for referral to peer assistance pursuant to Section 301.410, Texas Occupations Code.
