BEFORE THE TEXAS BOARD OF NURSING

\*\*\*\*\*

In the Matter of Registered Nurse           §        AGREED  
License Number 723227                       §  
issued to KAREN LYNN WILSON           §        ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Bo considered the matter of KAREN LYNN WILSON, Registered Nurse License Number 723227, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on June 29, 2009, by Katherine A. Thomas, MN, RN, Executive Director.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from San Jacinto College, Pasadena, Texas, on December 15, 2005. Respondent was licensed to practice professional nursing in the State of Texas on January 17, 2006.
5. Respondent's professional nursing employment history includes:
 

|               |    |  |
|---------------|----|--|
| 01/06-Present | RN | HCA - Bayshore Medical Center<br>Pasadena, Texas |
|---------------|----|--|

6. At the time of the initial incident, Respondent was employed as a Registered Nurse with HCA - Bayshore Medical Center, Pasadena, Texas, and had been in this position for two (2) years eleven (11) months.
7. On or about November 26, 2008, while employed as a Registered Nurse with HCA Bayshore Medical Center, Pasadena, Texas, Respondent falsely documented in the medical record of Patient Medical Record Number 696925, in that, after realizing that the mother of a discharged patient failed to sign the medication reconciliation list at discharge, she signed the mother's name. Respondent's conduct was deceiving and created an inaccurate medical record.
8. In response to Finding of Fact Number Seven (7), Respondent stated, "the only thing I can possibly figure out is I must have been on the phone with my attention divided between too many things and was putting the chart together to send to medical records and noticed the missing signature and I scribbled the unfinished name." Respondent also stated that the signature was "not similar to the mother's signature and was not intentionally copied." Furthermore, Respondent stated that she knows that "the correct thing to do in this case would have been to leave the medication reconciliation sheet blank and make a note in my charting that patient's mother failed to sign or missed signature page."

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
