BEFORE THE TEXAS BOARD OF NURSING

\*\*\*\*\*

In the Matter of Registered Nurse                §        AGREED  
License Number 632510                                §  
issued to LADONNA HESSE                            §        ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of LADONNA HESSE, Registered Nurse License Number 632510, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on May 13, 2009, by Katherine A. Thomas, MN, RN, Executive Director.

FINDINGS OF FACT

- 1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
- 2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
- 3. Respondent is currently licensed to practice professional nursing in the State of Texas.
- 4. Respondent received an Associate Degree in Nursing from San Antonio College, San Antonio, Texas, on May 1, 1996. Respondent was licensed to practice professional nursing in the State of Texas on July 23, 1996.
- 5. Respondent's professional nursing employment history includes:

1996 - 1999	Telemetry Nurse	Metropolitan Hospital San Antonio, Texas
-------------	-----------------	---

Respondent's professional nursing employment history continued:

2000 - 2004	Charge Nurse	Warm Springs Rehabilitation Hospital San Antonio, Texas
8/2005 - 2006	Staff Nurse	Southwest Mental Health Center San Antonio, Texas
2007 - Present	Unknown	

6. At the time of the initial incident, Respondent was employed as a Staff Nurse with Southwest Mental Health Center, San Antonio, Texas, and had been in this position for one (1) year and four (4) months.
7. On or about December 4, 2006, while employed with Southwest Mental Health Center, San Antonio, Texas, Respondent failed to provide adequate staff coverage and supervision of a Licensed Vocational Nurse (LVN) during a "Code Green" emergency situation. As a result, the LVN was left alone without support staff and performed an emergency physical intervention which resulted in a fractured forearm of Client Medical Record Number 95968-1. Respondent's conduct was likely to injure clients under her care in that it created an unsafe environment and may have unnecessarily exposed them to risk of injury.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent states that Client Medical Record Number 95968-1 was agitated. Respondent asked the LVN if the client had anything prescribed for his agitation. Respondent called the physician and while on the telephone, Respondent heard a scream. She went into the client's room and observed the LVN restraining the client. Respondent asked the LVN to move away from the client and allow the client to calm down.
